Statement On Gun Exhibition

The Come and Take It Committee (Committee) would like to express our thanks for being a participant in this year's parade. It is through the hard work and dedication of organizations and individuals that make the Come and Take It Parade such a sight to behold. In order to make sure that the Come and Take It Parade is as safe as possible; the Committee has implemented this firearm rule for the protection of the participants, spectators, and staff.

Enclosed you will find with this letter an Assumption and Release of Liability for Firearms (Form). This Form must be filled out by each organization or individual that has a parade entry and signed by all participants who will be exhibiting firearms in the parade.

The Committee is proud of Gonzales' heritage when it comes to firearms and protecting people's rights to possess those firearms, so it felt best not to eliminate the exhibition of firearms in the parade, but only to regulate them so as to provide a safe environment for all. This rule comes as a response to the extremely tragic and unwarranted events involving firearms around our nation and to strive for a better understanding of firearm safety.

The Committee is asking all parade entrants that will be exhibiting functional firearms in the parade to help promote that gun safety. To do so, the Committee asks that all firearms be unloaded and that each participant sign the Form. A member of the Committee will check each parade entry for the display of firearms. For those entries that are exhibiting firearms, a member of the Come and Take It Committee will ensure that each participant has signed the provided form and that each firearm is unloaded. The Committee does not foresee any issues with this rule as it is for safety reasons, but in the event any individual, organization and/or member of an organization that refuses to sign the Form will force the Committee to deny that individual or organization entry into the parade.

Once again the Committee is looking forward to a wonderful parade and thanks you once again for your participation and cooperation.

Sincerely,

Gonzales Come & Take It Parade
Committee

Main Street Through Fresh Eyes

Take a few minutes before our next meeting to do the following exercise. First, *drive* through the district (let's limit this to downtown at this time). Then, *walk* the district. Pay attention to details. From both perspectives, answer as many of the following questions as you can:

What did you see?

What architectural/building details did you notice? (look above and below at street level)

Who is downtown? What are they doing? How are they using downtown? (Maybe stop and ask someone you don't know those questions)

What kinds of businesses do we have downtown? What is their appearance (signage, display, etc.)

What kinds of business are missing from downtown?

Where are the vacant buildings? Clustered? All across downtown? Are there many? How many? What is their appearance? (Can you tell they are vacant from the street or do you have to walk up to the storefront to realize it?)

How easy is it to get around downtown? What helps you? What hinders you?

What is your favorite thing about downtown?

If you could change one thing about downtown right now, what would it be?

Add into this exercise something interesting you've learned or already knew about your town or downtown's history.

As we discussed in our January meeting, this is going to be a working board. We have lots to accomplish as we help guide our community forward. What a great opportunity!

Welcome aboard!
