Bush Funeral Procession Traveling Through Navasota

On Saturday, April 21st after 1pm, Mrs. Barbara Bush's funeral procession will be traveling through Navasota. The City of Navasota has been notified that vehicles will not be allowed to stop, stand or park along Highway 6 including the frontage roads. This is to allow the motorcade to freely travel through our area. If citizens wish to pay their respects, the Navasota Police Department is asking for motorists to stay off of state right of way. Parking may be allowed on private property with the approval of the property owner.

Citizens can expect a large law enforcement presence and there is potential for significant travel delays during this time.
