Report a Problem

The City of Navasota is proud to present the Online Web Form for reporting problems to the City. The Form is a new mobile friendly, easy to use tool to report pot holes, brush or debris, tall weeds or grass, or other concerns.

Citizens can now report problems and receive email notifications once it is resolved through our Online Web Form. To get started, please visit www.navasotatx.gov, click on "Report a Problem" button found on the top and complete the Online Web Form.

You may also contact the Community Outreach Specialist, Kristopher Gruver directly by email at kgruver@navasotatx.gov or phone 936-825-6475.
