Products or services to be exhibited or sold: List ALL products, including brand names if applicable, you would like to sell or display during the fair. Any space assignment will reference this list. Once a contract is issued, you may not display or sell any additional items without approval of the Fair Management. Please be specific. General words such as "handcrafts, t-shirts, sweatshirts, clothing, toys, hats, novelties, gift items, accessories, jewelry, imports" etc. are not acceptable. Any items in your space not authorized on your contract are subject to removal at the discretion of Fair management.

Not everyone who applies will receive a space. The Fair attempts to select exhibitors who will complement the other products and services booked in the Agriculture Building. These selections depend on the products/services already booked and the products/services Fair management believes will appeal to the Fair attendee. The number of new applications received annually is greater than available space. The Fair strives to provide the fairgoer with exposure to exhibitors who provide quality products or services; therefore, it is very important to have as professional a display as possible.

All applicants must submit a photograph, sketch or drawing of their proposed booth setup. Brochures or pamphlets regarding the products or services would also be helpful.

Note: This is not a contract. This is only an application.

I certify to the best of my knowledge the above information is complete and true.

By signing here I affirm that I have read and understand the Rules and Regulations for Agriculture Complex Exhibitors – 2019 and agree to comply with them should my application be approved.
