Dear Employment Recruiter:

September 25, 2019

As part of Senior Day and the Exchange Club of Charleston National Service Day, the Senior Day Committee is inviting your company to participate in our first **Senior Career Fair on Wednesday, November 6, 2019**. Both Trident Technical College and All About Seniors have agreed to promote and participate in the career fair. We hope that you will join us as we let seniors know about job opportunities or ways to advance their education/skills. Your company will receive free space at the event with plenty of room to talk with seniors.

The goal for our Senior Career Fair is to provide area seniors (55 or older) with a place to meet employers, learn about educational and retraining services available in the Low-Country, and meet other seniors who are also looking for new work opportunities. The Senior Day Committee is reaching out to all area employment agencies, social organizations, churches, senior centers, retirement centers and inviting them to bring their clients to this special day. In addition to promoting the Senior Career Fair on our Social Media and other advertising venues.

Please take time and share information about Senior Day with everyone you think would be interested in coming. Information about Senior Day at

At the 63rd Annual Coastal Carolina Fair, we take pride in reminding everyone of one of the primary reasons for the Fair. The proceeds of the Coastal Carolina Fair provide the Exchange Club of Charleston with an opportunity to give back to the community. Through financial grants awarded by our AIMS committee, a wide variety of charitable organizations throughout several counties of the Low Country can extend their mission more effectively. Among those organizations are a number that serve the senior citizens of our surrounding communities including Meals on Wheels, Berkeley, Charleston and Dorchester Seniors, Canterbury House, East Cooper Community Outreach, Barrier Islands Free Medical Clinic, Outreach Clinic of Summerville, Christ Church, Lutheran Hospice and Habitat for Humanity. These organizations, among others, work tirelessly to ensure that the lives of our seniors are improved and enriched by the provision of food, clothing, medical care, and shelter.

A special area is set aside on the fairgrounds for Employer/Education companies so that seniors will have a focused place to meet you and get information, apply for jobs, or sign up for educational programs. We are offering three ways for you to be involved in this wonderful community event. You may choose one or all three.
