Rules and Regulations for Agriculture Complex Exhibitors - 2019

The following rules and regulations shall be in effect, and will be strictly enforced, for all exhibitors and any other persons or entities (hereinafter "Exhibitor" or "Exhibit") who lease or are assigned space in the CCF Agriculture Complex (Agriculture "Ag" Building and Barn) during the 2019 Coastal Carolina Fair ("CCF"):

HOURS OF OPERATION: All Exhibits must be staffed and open for business at the scheduled CCF gate opening time each day and must remain open until at least one hour past the scheduled gate closing time for that day, unless otherwise authorized or directed by the Fair. The Ag Building will be open for Exhibitor access one hour before CCF gate opening each day.

EXHIBIT APPEARANCE AND SAFETY: Exhibit must be erected and maintained in an attractive, professional and safe manner. The area within and around the Exhibit must be kept clean and free of trash, obstacles and other safety hazards at all times.

PRODUCTS AND SERVICES OFFERED: Products or services offered by Exhibitor must correspond to the product description(s) specified in Exhibitor's contract and may not conflict with, differ from or exceed that description without written permission of the Exchange Club Fair of Charleston, Inc. ("Fair"). The price of all products/items sold from concession must be clearly marked or posted in easy view of customers. Advertising on or in Exhibit shall have only the name, type, and/or price of merchandise, products or services offered for sale. *Products which are racist in nature, drug related, sexually explicit, illegal, or otherwise deemed offensive by the Fair are strictly prohibited.*

EXHIBIT SET-UP AND REMOVAL: Set-up days for Exhibits are the Saturday through Wednesday preceding CCF opening day. Entry to Fairgrounds and the Ag Building will be limited to 9:00 am to 5:00 pm on those days unless alternative arrangements are made through the Fair office. Exhibit set-up must be completed by 5:00 pm on the day prior to CCF opening day. The Exhibit will be disassembled and removed by noon on Tuesday after closing of the Fair.

ADMISSION TO GROUNDS: Exhibitor and each of Exhibitor's employees is required to have either a daily admission ticket or a Photo ID Badge to enter the Fairgrounds each day during the Fair. A fixed number of daily admission tickets, as specified in Exhibitor's contract, will be issued to Exhibitor. Additional daily admission tickets may be purchased by Exhibitor at advance ticket prices, as permitted by Exhibitor's contract. Admission tickets may not be resold by Exhibitor under any circumstances. If desired, Photo ID Badges, good for admission on all days, may be obtained from the Fair office for a charge of \$40 each.

All occupants of any vehicle entering the Fairgrounds must have either an admission ticket or a Photo ID Badge to be admitted during Fair operating hours.

VEHICLES AND PARKING: Exhibitor will be issued priority parking passes for Gate 1 entry, as specified in Exhibitor's contract or as deemed necessary by Fair authorities, for use by Exhibitor and Exhibitors employees. Exhibitor may, at the discretion of the Fair, also be issued a Gate 3 Vehicle pass for vehicles necessary for loading and unloading of Exhibitor materials only. This Gate Pass does not constitute authority to park inside the Fairgrounds; during Fair operating hours, all vehicles, other than stock vehicles or trailers authorized by the Fair, must be removed to one of the parking lots.

While within the Fairgrounds, all vehicles will park only in designated areas and will not block any road or walkway. Vehicles parked illegally anywhere on Fair property will be removed at owner's expense and owner's vehicle or parking pass will be forfeited.

Vehicle and parking passes must be hung on each vehicle's rearview mirror and will be honored only at the gate shown on the pass. Alteration or duplication of any vehicle or parking pass will result in forfeiture of all vehicle and parking privileges.

No motorized or electric vehicles are permitted on the Parkway, Midway or other walkways normally used by the public from 15 minutes prior to gate opening until all patrons have left the property after closing, or at any other time as may be specified by the Fair.
