Pre-purchased bedding may be picked up in the designated area on load-in days. Exhibitors must be present to claim their pre-purchased bedding. Refunds will not be issued for any pre-purchased bedding.

   Outside bedding for livestock exhibitors is permitted.

   Exhibitors may coordinate the purchase of feed and bedding through the State Fair Horse Show Feed/Bedding Concessionaire. All purchases through the State Fair Horse Show Feed/Bedding Concessionaire require the exhibitor to pick-up; delivery is not an option. All pick-up orders from the State Fair Horse Show Feed/Bedding Concessionaire must be completed before 10:00 a.m. daily.

Original registrations must be available for inspection by CSF staff and/or breed association representatives at the time of check-in. All heifers must be entered and shown by the registered owner of said animal. If an exhibitor elects to participate in Showmanship, only the registered owner may show an animal in Showmanship.

6. All calves shown in Cow/Calf classes must be halter broke and shown at halter. Calves must be shown with their natural mother in the Cow/Calf class for the calf to be eligible to show in an individual calf class.

COLORADO STATE UNIVERSITY Department of Animal Sciences, Dr. Kevin Pond, Colorado State University, Fort Collins, CO 80501; sponsors a traveling trophy for the Supreme Jr. Breeding Heifer.

FRONTIER GENETICS, Mark Reitzenstein, 22848 Co Rd. 51, Kersey, CO 80644-9047, will award buckles to the Champion Showman in each division (Senior, Intermediate and Junior).

KRUSE RANCH, Kimball, NE, will provide a cash award (to be paid with premiums) for the Grand Champion Junior Shorthorn-Plus Heifer.

THE AMERICAN ANGUS ASSOCIATION, Events & Education Department, 3201 Frederick Boulevard, Saint Joseph, MO 64501, will participate in premiums offered in individual classes for Junior Angus heifers, as included in its standard show classifications, according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors. A minimum of fifteen (15) head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums. Separate classes for bred and owned heifers may be held if the size of the show merits a separate class. To be eligible for association premiums the entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class. Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on premiums offered in championship classes. An animal may only be counted one time toward the total

count for premium participation by the Association. Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or other current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show. Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in. Only one person at a time shall lead an animal into the show ring. Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders' Reference Guide of the Association. These rules are found in Part Two; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2; Association Rules; Rule 800 Series, including Rule 800-810. These rules can be found at www.angus.org. Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited produces include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing. At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to, a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated line up areas. All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show. Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

THE COLORADO ANGUS ASSOCIATION, will provide awards for the Champion and Reserve Champion Colorado Bred and Owned Heifer. Each exhibitor may show only one animal in this class and exhibitor is to be listed as both breeder and owner on the registration certificate. The Champion Heifer will receive $200.00 and the Reserve Champion Heifer will receive $150.00. Association will provide Champion and Res. Champion Colorado Angus Showmanship Banners.
