2. All entrants for livestock exhibited in Open, Breed, or Market competitions shall provide a valid premises identification number at the time of entry.
3. **BEDDING:** Exhibitors are responsible for their own livestock bedding. Entry into competition at the Colorado State Fair and Industrial Exposition does not include bedding. Bedding may be pre-purchased on Livestock Entry forms and must be received in the Livestock Office with payment by entry deadline. Pre-purchased bedding may be picked up in the designated area on load-in days. Exhibitors must be present to claim their pre-purchased bedding. Refunds will not be issued for any pre-purchased bedding.

Straw may only be used for Dairy Cattle, Dairy Goats, Breeding Sheep and Cattle tie-outs. All other uses of straw are prohibited.

Outside bedding for livestock exhibitors is permitted.

4. Copies of registration papers shall be submitted with entries. Original registration papers must be available for inspection at the show.
5. Exhibitors must have the original registration certificate issued by the Red Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the Red Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-brand marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.
6. The Colorado Red Angus Association offers 20% of the total premiums including champion classes. The Colorado State Fair will pay 75% of the total premiums including champion classes. The combined premiums listed below are paid directly by the Colorado State Fair.
7. Any female shown with a calf at side, the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in.
8. Only one person at a time shall lead an animal into the show ring.

9. Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling.
10. All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.
11. Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.
