FEET

Cut the sides of the mane with a craft knife. Be careful not to snip the top corner connection by the yellow stars.

Red lines are slits where pieces connect.
Fold all straight black lines.
Glue tabs if needed.

Carefully cut out the shapes on this page. Use a hobby knife to slit the white lines labeled with letters. Tape and glue are not necessary.

To have the beard pop out on top of the red line, stopping before reaching the edge. Make sure to keep the beard corners connected to the sides towards the U tabs.
