

Colorado State Fair 4-H State Championship Horse Show

July 28, 2020 Update

Public Gathering Guidelines in reference to # of Attendees per Exhibitor

Due to public gathering guidelines set forth by the Colorado Public Health Department, the Colorado State Fair will restrict each 4-H exhibitor to one parent, parent, guardian, or family member to attend the event. Exhibitors will receive one wristband for themselves and one wristband for a family member. Families with two exhibitors will receive four wristbands; families with exhibitors will receive wristbands; and families with four or more exhibitors will receive six wristbands. If the public health orders or requirements loosen prior to start of Fair, the General Manager may relax the restrictions on the number of attendees. The Colorado State Fair Authority reserves the right to cancel or reduce the number of onsite entries, as well as the number of attendees onsite prior to the start of the 2020 Colorado State Fair due to the Coronavirus (COVID-19) pandemic.

Please stay up to date with the current guidelines and restrictions through the Colorado State Fair website and Facebook pages. We recommend you check the website or Facebook weekly.
