

WHAT'S NEW IN 2020

One (1) Parent/Guardian will be allowed per Exhibitor. Exhibitors will be given 1 wristband for themselves and 1 wristband for a family member upon arrival at the gate. If Public Health guidelines loosen prior to the start of the 2020 Colorado State Fair, the General Manager has the authority to loosen this restriction.

Public Health Requirements will be posted and exhibitors and parents/guardians will be required to abide by the posted requirements. Those choosing not to abide by the requirements may be immediately disqualified and removed from the Fairgrounds. Public Health Guidelines include the wearing of masks and physical distancing. Masks will be required in all public areas, including the show ring.

Livestock exhibitors and parent/guardian will be given a wristband and will be required to remain within the designated Livestock area of the Colorado State Fairgrounds.

Poultry exhibitors will be required to provide feed for their birds and will be responsible for the feed and watering of their birds.

No rabbit shows – Market, Open or Youth.
