Colorado State Fairgrounds

The Colorado State Fairgrounds boasts nearly 100 acres and 60 permanent structures. All year the Fairgrounds function as a multi-purpose entertainment complex. The largest permanent building is the State Fair Events Center. While the Events Center is usually known for hosting Hip Hop, Country and Rock n' Roll Concerts it is a versatile building capable of housing many different types of events. This diversity of function extends to the rest of the Colorado State Fairgrounds facilities. We are a full service facility capable of holding almost any sized group comfortably and safely. Whether it's your family reunion, equestrian event, RV rally or convention the Colorado State Fairgrounds is the perfect place for your event. In the following pages we have detailed information about the most frequently used facilities and entertainment areas that would most likely meet your needs.

EVENT STAFF

Event staff such as Security, ushers, ticket takers, ticket sellers, and parking attendants are employed and scheduled by the FAIRGROUNDS at the expense of the promoter/user – no outside labor may be used for these positions. Additional labor needs such as on-site electricians, sound technicians, production labor, etc. may be contracted with the Fair as needed.

CUSTODIAL AND MAINTENANCE

All facilities will be cleaned and requested equipment will be placed in each building/area. Our Facilities Services staff members will provide trash removal and restroom maintenance and will be available as needed for additional services (repairs, setup assistance, etc). All restroom and janitorial supplies will be provided by the Fair and will be replenished as needed

TICKETING / BOX OFFICE INFORMATION

Box offices are located at the Southwest Motors Events Center, the Grandstand Rodeo Arena and at the entry gates to the Fairgrounds. Our main box office at the Southwest Motors Events Center is staffed from 10:00 AM to 5:00 PM Monday through Friday. Additional box offices and staff are available based on event needs. The Fairgrounds facility is currently under contract with eTIX for all ticketed events held on the facility. Tickets may be sold at our box office, on line and by phone. Ticket processing and credit card fees may apply.

CONCESSIONS, CATERING AND ALCOHOL POLICIES

Concession services (*sales of food and beverage to individuals*) are available in many locations. Some locations have a year-round exclusive concessionaire and liquor license and therefore no outside food or beverage may be brought into those locations. In locations without contracts, renters may use any of our preferred concessionaires for these services; the Fair will coordinate these services based on your input and event needs. Catering services (*food/beverage/snacks sold for a group by the plate or person*) may be contracted through any of our preferred catering vendors. Please note that some facilities have an exclusive catering contract. Alcohol may be served at your event upon approval from our General Manager. Alcohol may not be sold in locations without a valid liquor license; there are several licensed facilities available on the Fairgrounds. Alcohol service/sales must be coordinated through the Fair. Security staff is required for all events where alcohol is served, sold or consumed.

BOOKING YOUR EVENT

1. **CHECK AVAILABILITY:** When you are ready to book your event, please contact our rental department at 719-404-2014 to discuss available dates and set an appointment for a showing or a tour of the facility. (Please note that date availability does not guarantee that your event will be held.)
2. **COMPLETE THE EVENT APPLICATION:** All potential renters must submit an Event Rental Application for review by the rental department and management. If the Fair chooses to proceed with the event, specific event details will be discussed in preparation for a contract.
3. **CONTRACT & DOWN PAYMENT:** Once event details have been confirmed, a contract will be initiated. A down payment is required for all events at the time of contract signing. The rental contract must be fully executed (signed by renter and Fair management) and down payment made no less than 60 days prior to ANY event. Ticket sales and any advertising (including social media announcements) may not commence prior to a fully executed contract with the Fair
4. **EVENT MANAGEMENT:** Our rental department, security department, facilities staff, box office staff and concessionaire will work closely with you to make your event a success!
