

Minutes of the Columbia County Fair Board Workshop

January 30th, 2020

Called to order at 7:01 p.m.

Board Members Present: Ingrid Chamberlain, Jamie Carr, Samantha Rosenlund, Joshua Sarver, Katie Marsh, Julie Pelletier, Rachel Kroon, Tiffany Johnson

Budget- Jamie asked Henry to be here to go over the budget, so we can do a couple repairs to things that need to be worked on (like the shop roof, pavilion A/C leaking, support beams around pavilion, etc.).

TMR Bid- Jamie has gotten a proposal for the engineering of a proposed pole barn for the auction area. Tiffany will have to do some research to figure out the proper steps the board needs to take to get this engineering proposal going, then onto the 3 bids for the construction of the building. Ingrid also brought up finding grants to help cover this project. Henry informed Ingrid that we can write our own grants and he would be willing to help her with that. They will meet at a later date to discuss further.
