# Welcome

*Conroe* is the perfect blend of starry nights and city lights. The fastest growing city in Texas, Conroe has so much to offer. The centerpiece of the city, Lake Conroe, is the perfect place for rest and relaxation- or fun and exciting adventure. Bordering the 22,000 acre lake is 156 miles of shoreline and 254.8 square miles of national forest.

In the forest you'll find the longest continuous hiking trail in the state of Texas, The Lone Star Hiking Trail. Adventure awaits along the 96 miles of trail, and overflows into the additional 32 miles of loop and crossover trails. Discover the red-cockaded woodpecker in the W.G. Jones State Forest; it is one of the few places left to spot this endangered bird.

If birding isn't your thing, bring a picnic and enjoy the Texas weather. Indulge your historian side with a visit to the Heritage Museum, then head to the Lone Star Flag Park to view the 13 battle and rally flags that have flown over Texas. The park also features a bust dedicated to Dr. Charles B. Stewart, designer of the flag, and a 14 foot statue known as The Texian.

Feeling hungry? Conroe offers amazing local culinary hot spots and three craft breweries, a winery, and a distillery. Make sure to try them all. Cap off the night with a stroll around downtown. Discover the local artisans in the art galleries and art benches that line downtown Conroe, and enjoy the sounds of live music at several venues and be sure to mark your calendar for our signature Conroe events

— they are worth the trip!

# THE GREAT OUTDOORS

## *Living The “Life” In Conroe*

Nothing says “Lake Life” better than the 22,000 acres known as Lake Conroe! Jet skis, paddleboards or fishing poles—the options are endless. Take adventure to a new height with flyboarding or find a quiet piece of water and defy the record for the largest largemouth bass. Channel catfish, bluegill and black and white crappie are ready to test your skills as well. Coming summer of 2020 to Lake Conroe is Margaritaville Lake Resort. This scenic waterfront property combines luxury with family friendly amenities, including an 18-hole golf course, a full service spa, and a 3 acre lakefront water park that’s sure to bring out the kid in you! Don’t have a boat? Don’t worry. Lake Conroe offers a variety of guide services and water sport rental options. Multiple marinas, complete with food, drinks, shops and marine technical services, keep you full, fueled and back on the lake! Make sure to save time for lakeside dining with delicious local flavor. Boat cruise tours offer a monthly lunch cruise and three-hour dinner cruises with dining, drinks and dancing onboard their three-story, 131’ paddle wheeler.

## *Boots, Birds, Butterflies*

Ready to walk? Grab your best hiking boots and head out along the longest wilderness footpath in Texas. The Texas Lone Star Trail twists and turns through 130 miles of deep pines and hardwoods of the expansive Sam Houston National Forest. Don’t forget your binoculars when you visit W. G. Jones State Forest, one of the nation’s largest working urban forests, recognized by American Bird Conservancy as one of the 500 most important areas in North America. The old growth pines are home to the endangered red-cockaded woodpecker. Conroe proudly participates in the National Wildlife Foundation’s Mayors Monarch Pledge initiative, a mission to help restore the Monarch’s natural food source, the milkweed plant.

# ARTS, MUSIC & CULTURE

## *Take Me To The Theatre*

A theatre ticket can get you even closer to your favorite musician or a chance to see the words of your favorite playwright come to life. The Crighton Theatre, the “Crown Jewel of Montgomery County” has been a delight for music lovers, theatergoers and historians for over 80 years. Every seat is a perfect seat in Conroe’s intimate Owen Theatre, home to The Players Theatre Company. Renovations to the once 1946 car dealership, now accommodate sold-out theatrical performances.

## *Music In The Air*

Conroe is the destination for great live music. Recognized by the Governor’s Office as Texas Music Friendly, Conroe is home to nightly live music for everyone’s taste. The historic downtown offers unique venues like Pacific Yard House, Red Brick Tavern and The Corner Pub that provide crowd-pleasing local, regional and national favorites year-round.

Montgomery County is proud to be home to the annual Young Texas Artists Music Competition where ambitious young musicians have proven their dedication and determination to excel in their highly sought after fields. Free concerts happen at Heritage Place! Invite your friends and family to the First Thursday Concert each month from April through September for an evening of music. Stewart, designer of the Lone Star Flag, and the likeness of renowned trauma surgeon Dr. James "Red" Duke.

Education is a top priority for the Conroe Art League and the more than 250 talented members that call the Gallery at the Madeley Building home. The 100-year old building provides a pleasant artist/gallery setting for a bounty of artists' works, ongoing art shows, classes and workshops.

And on your search for all-things-art, don't forget a stop at the Conroe Legends Mural Wall on Metcalf St. at N. Main and the Art Bench Walking Tour throughout Downtown Conroe.
