7. Management reserves the right to limit entries to facilities available and may limit the number of entries made by an exhibitor. Any return of entries under this rule will be done generally and without discrimination. Under any limitation of entries, acceptance will be based on entry receiving date, except some eligible entries may accepted to ensure an equitable representation of a specie or breed.
8. Refunds will not be considered for amounts under \$50.00. Please see State Rule II 6 for requirements. Overpayment of entry fees will not be refunded. In the event of a major livestock disease outbreak in the United States, Cow Palace Management will determine a fair and universal system for the refund of any entry fees collected by the exposition. This system will be based on the date of the outbreak, the severity of the outbreak, and the operational costs associated with and undertaken by Cow Palace Management for the Livestock Show. Any approved refunds will be issued within 30 days of the close of the show.
9. All Exhibitors must complete the Online Entry Release Form and return it to the Grand National Livestock Exposition. The form is available at www.grandnationalrodeo.com.

GRAND NATIONAL LIVESTOCK EXPOSITION BEN BEAM MEMORIAL JUNIOR SHEEP SHOW

Ben Beam was the 2016 Cow Palace Grand National Blue Ribbon Award recipient. The Blue Ribbon Award is given in appreciation to an individual or business who has volunteered their time and energy in support of the Grand National. Unfortunately, Ben passed away on November 11, 2015. His family accepted the award on his behalf.

Ben was born June 9, 1957, in Manteca, California. He attended San Joaquin Delta College and then went on to Fresno State to earn his Bachelor's degree before completing his Master's Degree at Cal Poly, San Luis Obispo. Ben taught at Denair High School before his college teaching career began at Lassen College. He instituted a rodeo and livestock judging team there, and began traveling the state and nation competing with passion and commitment. In 1994, he came back to his roots and alma mater at San Joaquin Delta College, teaching agriculture and building livestock judging teams of young and talented individuals.

As part of his program at Delta College, Ben brought a team of students to the Grand National Livestock Exposition. He served as the Sheep Superintendent and his students worked the sheep and goat shows as well as helped with whatever project needed to be done. He did this at no cost to the Cow Palace. He held a fundraiser that paid for their travel, lodging and food while they were working at the show. Ben was had a calming effect in the barn and would always find a way to solve an issue. He was a tremendous teacher and turned interactions into a learning opportunity for all involved.

In 2014, Ben's health no longer allowed him to be in the barn but he still wanted to be involved. He brought his team of students to work the show and he prepared three meals a day for the entire livestock crew.

Family was the most important thing in Ben's life. He is survived by his wife Terri, his four children Lacey, Andrew, Casey, and Shaylynn, and his daughter-in-law Chelsea. His adored granddaughter Brenyn Lynn was everything Ben ever dreamed of wrapped up in a beautiful package of vitality, expression, and blonde curls. Benjamin Davis Beam, named after his Poppy, is the newest addition to the flock. Ben, along with his family, owned and operated Beam Ranch Club Lambs. His family is committed to maintaining the same quality of lambs that Ben always strived for.

To his friends, colleagues, students, and the livestock industry, Ben represented unmatched loyalty, love, professionalism, compassion, and expertise. Ben's love of cooking, of livestock and horses, of fishing and hunting, and of knife-making and leather work, touched the corners of our country. He loved to gently guide and impart his wisdom in quiet but authoritative ways. Ben is and will continue to be the finest example of someone who will *Outlive His Life*.
