

Dover Building

- 15,000 sq. ft.
- Seating up to 2,000

Technology Shows • Boat and Car Shows • Craft Bazaars • Dinner Events ...

The Dover Building is the Delaware State Fair's newest and increasingly popular rental facility due to recent upgrades and modernization. This multi-purpose building offers space for over-sized trade show events, and its proximity to the Exhibit Hall makes this a great option for events requiring multiple facilities.

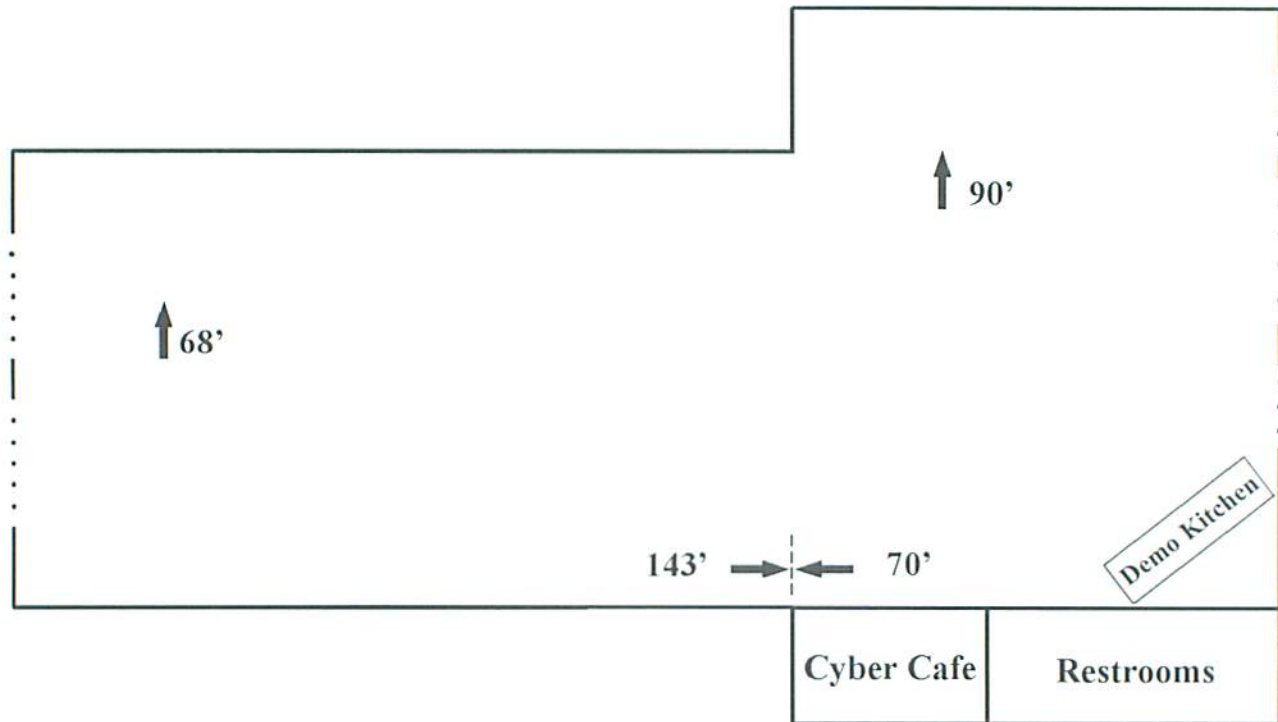

Features:

- Fully landscaped exterior
- Office space available within—perfect for your cyber cafe
- Phone and Internet service available
- Portable sound system available
- Overhead door entry, 26' x 16'
- Restrooms conveniently located within the facility
- Demonstration kitchen available
- Finished concrete floor
- ADA accessibility
- Ample parking
