Variance Request

Hometown Rodeo- The Committee discussed taking online entries as opposed to the standard in-person registration. Synneva explained that if there were to be an in-person registration, it would take place at the outside ticket windows at the Events Center. The committee discussed capping entries and said there were 111 entries in 2018. Synneva is going to review the number of people that made up the entries and the committee will decide on a capping number based on that.

Xtreme Bulls- There will be 40 participants.

Slack- Will be moved from Friday morning to Sunday morning.

PRCA Rodeo- The question was asked if Xtreme Bulls could be moved to Wednesday and then a PRCA performance could be held Thursday, Saturday and Sunday in order to retain the same amount of performances as a normal year. Synneva will check to see if that would be a possibility and confirm that there wouldn't be any 4-H conflicts.

If the livestreaming drive-in rodeo takes place, it will be held in the lower lot. The screen option is 18' x 30' and it will be placed on the south side of the Multi-Purpose Barn.

Justin Sports Medicine- John Adams confirmed that Justin Sports Medicine will be in attendance.

Veterinarian- Craig reported that he contacted Little Equine and they said they would be available and for him to contact them again after the 1st of July to solidify dates and times.

Marketing – Debbie reported that the majority of advertising is on hold until there is a more clear direction on how many rodeo tickets there will be...etc. She also shared she is part of a private Facebook group for PRCA contestants and will keep them informed with updates on our rodeo.

Hospitality Tent/Hall of Fame- There will be no tent for hospitality and all contestants will receive boxed/to-go meals.

Kent Sturman is talking to the El Paso County Commissioners about the possibility of the Hall of Fame's participation during the Douglas County Fair & Rodeo. No decision yet.
