

“Green Earth Education Day”
at the 2021 Elkhart County 4-H Fair
Friday, July 23rd, 10:00am-5:00pm
in the 4-H Fair Heritage Park

March 2021

Exhibitor/Vendors, Sponsors and Up-Cycled Crafters,

There has been a change for 2021. We no longer require the Exhibitor Contract for Green Day as in the past. We are using an updated Special Fair Event Application form for all commercial exhibitors and vendors that participate during the Green Day Event. The new form is enclosed/attached. “Special Fair Event Booth Application”

In order to increase interest and draw more individuals into Heritage Park for the Green Day Event, the Committee is offering the opportunity for commercial exhibitor and vendor groups to sell items that are Re-used, Re-purposed, and/or Up-cycled. If an item is new, it must be sustainable and/or made of sustainable material. In order to participate in selling items the Exhibitor must have donated the \$50.00 fee towards the Green Day event or be an event sponsor.

Please return the completed form: Special Fair Event Booth Application by May 15, 2021 to:

Up-cycle and Re-purpose Crafters Bazaar is also being offered to display crafts that they have created and to sell during Green Day. This is a different application for the Craft Bazaar. The Application (Up-Cycle Re-purposed Craft Bazaar Booth Application) and donation for the Craft Booth needs to be received by the Green committee by June 15th. The Items that you choose to sell from your Craft Booth, need to be approved by the Green Committee no later than July 1.
