****Please give as much detail as possible to assist in judging properly****

For Your Information:

- We prefer 12-16 ounce brown bottles, but will accept 11-22 ounce bottles of any color (all bottles must be free of paper labels). Obliterate any lettering or graphics on the cap with a permanent black marker. Bottles not meeting these requirements may be disqualified. Our primary concern is to ensure the anonymity of the entries when they are being judged.
- We would like to emphasize that the 2015 BJCP guidelines listed in the style chart are just that – guidelines. We have provided the chart so you can decide the category in which your brew will perform best because judges will use these guidelines when evaluating your entry. You will not be disqualified if your beer falls somewhat outside of the category guidelines listed, but your overall score may suffer. If you wish to see written guidelines explaining the categories in greater detail, please refer to the Beer Judge Certification Program website at: <http://www.bjcp.org/stylecenter.php>.
- The <http://www.homebrewersassociation.org> website is also a good source of information.

The Erie County Fair would like to thank Flying Bison for brewing the 2018 Best of Show Beer as well as the Erie County Fair Beer!! Also a big thank you to Try-It Distributing for distributing the finished products for public purchase at select Western New York outlets prior to the Fair.

Some categories require more detailed information in order to be judged properly. For example, special ingredients, sweet vs. dry, level of carbonation, and/or classic style may be required. When placing your entries online use the description field that pops up after you add your class to give this information. Always feel free to call or e-mail with any questions.

The styles accepted are keeping in mind that the Erie County Fair is a summer fun event.
