The IRS requires the Extraco Events Center to obtain the correct taxpayer identification number (TIN) for persons for whom we have to file an information return (i.e. 1099-Miscellaneous for premium payback). If the correct TIN is not provided, subsequent payments can be subject to backup withholding per IRS regulations. Payout checks will not be issued until the Extraco Events Center has a W-9 on file for all persons receiving these checks. Therefore, you are required to complete the W-9 with the appropriate certifications when submitting your entry. This will prevent any payments from being subject to backup withholding and receipt of your payout check without delay.

Entries for the first class of the day will close the night before. All other classes will close one class prior. Show Management reserves the right to interpret these rules. All decisions will be final. By the way of making an entry, the exhibitor is assuming the responsibility for knowledge of the rules and release show management from any claims or losses. The show management reserves the right to modify or change show conditions.

RELEASE OF LIABILITY: By making an entry in this show, participant agrees to release Extraco Events Center from liability resulting from risks inherent in equine activities.
