## IBCA Rules

1. **COOKED ON SITE** – All meats will be cooked on-site. The preparation and completion (excluding pre-trimming) of any and all meats in competition is within the confines of the cook-off site and during the time limits designated by the promoter. Pre-trimming competition meat may be removed from the store packaging and pre-trimmed unless there is a health department rule requiring that all meat must be in store packaging when meat is inspected. If this is an issue, it must be made clear on the cook-off flyer so that all cooks attending an event know about this ahead of time.

2. **SANITATION** – Cooks are to prepare and cook in as sanitary manner as is possible. Cooking conditions are subject to inspection by the Promoter. Infractions identified by the judging committee shall be immediately corrected or the cook will be subject to disqualification.

3. **ENTRIES PER PIT** – IBCA recognizes only one entry per head cook on a given pit. It will be the responsibility of the Promoter to monitor entries. Notwithstanding, multiple entries in the same category by the same cook or from the same pit, or multiple entries from the same piece of meat shall not be allowed.

The head cook of the team registered for the event must be at least 18 years old and present at the event. If an emergency arises that requires the head cook to leave the event, the head judge must be notified immediately. The remaining team members may complete the competition and the head cook will receive the points. If the head cook is not in attendance at the event, the team members may not cook under the head cook's name. Points will be awarded to the member in attendance who is determined to be the head cook, if a member of IBCA.

A BBQ Pit may include gas or electricity for starting the combustion of wood or wood products but NOT to complete cooking. Pit should be of a permanent design that contains separate individual cooking chambers and heat sources. (no sharing of heat sources)

Electrical accessories such as spits, augers or force drafts are permitted.

The use of heat lamps, proofing cabinets or any other electrical heating or holding device is prohibited.

Pork – Butt and/or Shoulder

7. DOUBLE NUMBER SYSTEM – IBCA requires that the secret, double number system be used. This system assures a fair competition and is a fundamental tenet of the IBCA. IBCA requires that two tickets bearing the same number be utilized, one firmly attached to the top of the judging tray in a manner which hides the number and the other ticket easily removed by the Head Cook for retention after signing the Head Cook's name in front of an IBCA representative.

Winning numbers will not be revealed until time to announce each place in each category. At that time the secret numbers, attached to the lid of the tray, will be removed and announced. Only lids with tickets will be taken to the awards ceremony with final table numbers.

8. JUDGING TRAYS – IBCA recommends the use of a Styrofoam tray with hinged lid and without dividers or the best readily available judging container, which is approximately 9 inches square on the bottom half. (i.e. Dart 95HT1 or GenPak 200 or Gen Pak 270 for 2 chicken halves) A single sheet of aluminum foil should be supplied for each tray (i.e. Reynolds 710 foil sheets 9"x10"). All judging containers shall be clean and free of any markings. Marked containers may be disqualified at the Head Judge's discretion. Cooks are responsible for insuring that the containers they receive remain clean and undamaged. Only the containers and foil provided by the head judge will be utilized for product turn in.

Head cook or other authorized representative must write the name of the head cook on the exposed portion of the ticket affixed to the judging container.

9. JUDGING TRAY CONTENTS – IBCA requires that the Promoter and/or Head Judge advise all cooks of the exact quantities and cuts of meat that will be placed in the judging trays. This will normally be accomplished at the Cook's meeting. The Head Judge or designated representative will inspect all trays at the time of turn-in in order to assure compliance with the turn-in criteria. All garnishes and condiments are prohibited, as they do not reflect the true quality of the cooked meat. Meats may be cooked with sauces and/or other liquids, but once the cooking is complete, sauces and/or liquids may not be added once put into tray. No puddling in the bottom of the tray. Excessive puddling to be determined at the discretion of the head judge. Each tray will include one sheet of foil placed unfolded under the contents of the tray.

All three meats Chicken, Pork Spare Ribs and Brisket are required to be turned in meat side up.

After the announcement of the top 10 in each category, the final table tray numbers will be announced. After the IBCA categories are called, the jackpot categories as well any other special awards offered by the promoter (i.e. peoples choice, best pit, etc) will be announced. At the end of the individual awards, the Reserve Grand Champion and Grand Champion of the event will be announced.

16. Promoters – For the sake of contest fairness, IBCA prohibits promoters from cooking in their own contest. Promoters are not allowed to act as the head judge for their event. This will allow the promoters to address all needs of the event and the cooks while the head judge is able to oversee the judging area without interruption from outside the judging area with the exception of issues that are a result of violation of IBCA rules as requested by the promoter.
