In accordance with Florida law, individuals may carry a concealed weapon or concealed firearm onto the Florida State Fairgrounds.

6. Florida State Fair Security Policy on Non-Admission of Criminal Gang Members

The Florida State Fair is an annual family event held for the citizens of the State of Florida. Hundreds of thousands of citizens visit the Florida State Fairgrounds during the State Fair each year to see exhibits of Florida's abundant agricultural, industrial, and social achievements. The purpose of this policy is to give notice of Florida State Fair Authority security policies that ensure the safety, well-being and enjoyment of persons visiting the Florida State Fair.

Hillsborough County Sheriff's Deputies, both uniformed and plain clothed, will be on duty at the Florida State Fairgrounds during the Fair. The Hillsborough County Sheriff's Office has been provided written authority by the Florida State Fair Authority to act as its agent during the Fair.

The Florida Legislature has recognized that the State of Florida has a compelling interest in preventing criminal gang activity and has enacted Chapter 874, Florida Statutes, known as the Criminal Gang Prevention Act. The Florida State Fair Authority, as a public body corporate and politic of the State of Florida, has a policy that no criminal gang members be admitted to the Fair.

Hillsborough County Sheriff's Deputies will assist Florida State Fair Authority representatives with the identification of known criminal gang members as they enter the Fairgrounds. This will be accomplished through investigators' personal knowledge and experience with individuals and group criminal gang members and corroborated with specific behaviors and actions of known criminal gang members, i.e., wearing gang clothing, flashing gang signs and/or attempting entry with a group (two or more) of known criminal gang members, as described in Chapter 874, Florida Statutes.

Identified criminal gang members (meeting the criteria established above) will be stopped as they attempt to enter the Fairgrounds, advised they are not allowed to attend the Fair, issued a trespass notice and escorted off the property.

The same process will occur if known criminal gang members are identified within the Fairgrounds and meet the standards established above.

Any individuals who engage in criminal gang activity or criminal gang-related activity, as described in Chapter 874, Florida Statutes, while on the Fairgrounds will be asked to leave the Fairgrounds property. They will also be issued trespass

notices and may be subject to criminal charges, as well as civil causes of action under F.S. § 874.06.

7. First Amendment Policy

It is the policy of the Florida State Fair Authority to allow free speech activity whenever said activity is not inconsistent with the normal operations or activities of the Florida State Fairgrounds. However, due to the unique nature of the activities at the Florida State Fair, there is limited access necessitating creation of First Amendment Activity Zones. The Florida State Fair Authority specifically finds that the building and grounds comprising the Florida State Fairgrounds are generally surrounded by parking areas under the control of the Florida State Fair Authority, which areas become congested with numerous vehicles during the annual State Fair and other events. The Florida State Fair Authority further finds that pedestrian traffic is generally confined to narrow walkways to and from these parking areas to the various gates at Florida State Fairgrounds and the First Amendment Activity Zones are designed to balance the interests by those engaged in First Amendment Activity with the Florida State Fair Authority's interest in providing reasonable and safe access to the patrons

The implementation of this policy is not meant to concede that the parking lots, walkways, and grounds of the Florida State Fair are public fora. This policy seeks to apply reasonable time, place, and manner restrictions to petitioning, free speech, and other forms of expression under the First Amendment. All persons engaged in First Amendment activities on the Florida State Fairgrounds are expected to comply with this policy.
