Judging & Awards

The Fair ensures that the judges we employ are knowledgeable in the division in which they are judging and will be impartial. Judges reserve the right to reassign entries to a more appropriate division or class. Judging will be done using a scorecard to assist in keeping decisions as objective as possible. **The decision of the judge(s) is final.**

The Florida State Fair judging of Preserved Foods Classes will be based on guidelines established by the USDA (Judging Home Preserved Foods.) The described criteria are based on canning procedures in the USDA Complete Guide to Home Canning as well as food drying recommendations from recognized resources in the Cooperative Extension System. **This information is available online at: http://nchfp.uga.edu/publications/nchfp/tech_bullet/1Judging_Preserved.pdf**

If, at the Judge's discretion, an entry does not merit a placing, the Judge shall give no award under any circumstance. This rule applies whether there are one or more exhibits in the Class.

Sweet Preserves – Divisions & Classes

Definitions

Preserves: Preserves are fruits (or uniform pieces of fruit) preserved with sugar so that the fruit retains its shape, is clear and shiny, tender and plump. The syrup is clear and varies from the thickness of honey to that of soft jelly.

Chutney: A sweetened fruit preserve that also contains onion, nuts or other savory, chunky ingredients.

Marmalades: A soft fruit jelly containing small pieces of fruit or peel evenly suspended in transparent jelly. Marmalades are a traditional way of preparing citrus-based jellies.

Jam: Jams are made by cooking crushed or chopped fruits with sugar until the mixture will round up in a spoon. There should be no separation of fruit and juice.

Fruit Butters: Butters are made by cooking fruit pulp and sugar to a thick consistency that will spread easily. Spices may be added; the amount and variety depend upon personal taste. If a smooth texture is desired, the pulp can be put through a food mill and then strained through a fine-meshed sieve.

Jelly: A semi-solid mixture of fruit juice and sugar that is clear and firm enough to hold its shape, yet it is soft enough to spread easily. A Jelly should not contain pieces of product. (Exception: pepper jelly may have pieces of pepper suspended in it).

Disclaimer

Please be advised that competitive exhibits are entered at the exhibitor's risk. The Florida State Fair does not insure and is not responsible for any loss, damage, or theft of entries, even if the loss, damage, or theft occurs as the result of the handling of the exhibit by staff, volunteers, contractors and/or visitors. If the exhibitor desires insurance coverage, this coverage should be secured from a personal insurance agent prior to entry and the policy written to cover the period of exhibition and transportation. Reasonable care will be taken to prevent loss or damage to exhibits. Unauthorized persons are not permitted in the building after closing hours.

Division/Class Cancellation

The Florida State Fair management reserves the right to return entries and cancel any division or class in which, in its judgment, the entries are insufficient to secure adequate competition.

Entry Errors

Florida State Fair management is not responsible for finding errors in entries. Exhibitors are responsible for any and all errors which were submitted online or on entry and summary forms. No exhibitor shall be entitled to an award which has been disallowed as the result of his own error. The Florida State Fair management shall withhold the payment of awards for exhibits that are ineligible and may recover awards that have been paid for ineligible entries that are disclosed during post audits of Fair records. However, exhibitors with cause are entitled to question the validity of any disallowance. Such exhibitors should inform the Florida State Fair management immediately, in writing, giving their name, address, complete description of the entry and the reason for requesting reconsideration. Requests will not be considered later than ninety (90) days after receiving notice of disallowance.

Substitution

Substitutions changes if necessary, must be within the same department by the original exhibitor. Substitutions must be completed the last day of the entry delivery period. The Florida State Fair or its judges may disqualify entries, or reclassify an entry to the correct class if it is not a true representative of the division or class in which it is entered. You cannot transfer your entry to another exhibitor.

Previously Entered Entry

Any entry that has been exhibited at a previous Florida State Fair is not eligible for entry in the 2019 Florida State Fair. This excludes Horticulture & Aquarium Beautiful entries.
