Entry Rules

Handcrafted furniture consists of furniture constructed of appropriate woods which, when finished, will enhance the natural beauty and construction. The choice of wood, glued joinery and finish give the furniture a lasting strength and appearance, which contribute to the overall aesthetics achieved only by such a craft.

Judging & Awards

The Fair ensures that the judges we employ are knowledgeable in the division in which they are judging and will be impartial. Judges reserve the right to reassign entries to a more appropriate division or class. Judging will be done using a scorecard to assist in keeping decisions as objective as possible. **The decision of the judge(s) is final.**

If, at the Judge's discretion, an entry does not merit a placing, the Judge shall give no award under any circumstance. This rule applies whether there is one or more exhibits in the Class.

The date of Judging is Sunday, February 2, 2020 at 10:00 a.m. and is open to the public.

General Rules

Disclaimer

Please be advised that competitive exhibits are entered at the exhibitor's risk. The Florida State Fair does not insure and is not responsible for any loss, damage, or theft of entries, even if the loss, damage, or theft occurs as the result of the handling of the exhibit by staff, volunteers, contractors and/or visitors. If the exhibitor desires insurance coverage, this coverage should be secured from a personal insurance agent prior to entry and the policy written to cover the period of exhibition and transportation. Reasonable care will be taken to prevent loss or damage to exhibits. Unauthorized persons are not permitted in the building after closing hours.

Division/Class Cancellation

The Florida State Fair management reserves the right to return entries and cancel any division or class in which, in its judgment, the entries are insufficient to secure adequate competition.

Entry Errors

Florida State Fair management is not responsible for finding errors in entries. Exhibitors are responsible for any and all errors which were submitted online or on entry and summary forms. No exhibitor shall be entitled to an award which has been disallowed as the result of his own error. The Florida State Fair management shall withhold the payment of awards for exhibits that are ineligible and may recover awards that have been paid for ineligible entries that are disclosed during post audits of Fair records. However, exhibitors with cause are entitled to question the validity of any disallowance. Such exhibitors should inform the Florida State Fair management immediately, in writing, giving their name, address, complete description of the entry and the reason for requesting reconsideration. Requests will not be considered later than ninety (90) days after receiving notice of disallowance.

Premium Payments

Premium Awards will be paid according to the Judging Criteria Record Sheets, not according to the placement ribbon attached to the entry. Sometimes placement ribbons may be attached to an entry through mistake, or may be misplaced, or lost.

Substitution

Substitutions changes if necessary, must be within the same department by the original exhibitor. Substitutions must be completed the last day of the entry delivery period. The Florida State Fair or its judges may disqualify entries, or reclassify an entry to the correct class if it is not a true representative of the division or class in which it is entered. You cannot transfer your entry to another exhibitor.

Previously Entered Entry

Any entry that has been exhibited at a previous Florida State Fair is not eligible for entry in this year's Florida State Fair. This excludes Horticulture & Aquarium Beautiful entries.

Verification

Exhibitors wishing to verify that the Florida State Fair has received submitted entry forms and fees must include a self-addressed/stamped envelope when submitting entry forms. Online submissions will receive a confirmation code once entries are submitted.

Responsibility

The Florida State Fair shall not be responsible for exhibits remaining on the fairgrounds after designated release times. All still exhibits or display elements remaining on the Fairgrounds after the designated release time will be treated as abandoned property and will be disposed of on or before September 1st of the same year.

Removal of Entries

An exhibitor may not remove his or her entry from the Florida State Fair once it has been accepted. Entries must be on exhibit at the official opening of the Fair or at any other time specified in the Competition Handbook and shall not be removed from the Fairgrounds prior to the release date printed in the handbook, except (at the discretion of the Florida State Fair management) in cases of positive evidence of sickness, accident and/or death, or other circumstances that are in the best interests of the Fair.

Dishonored Checks

A penalty of \$25.00 per dishonored check must be paid if a check in payment of entry fees or other applicable fees is refused by the bank. Only cash, certified check or money orders are acceptable for penalty payment.

Design

The Florida State Fair assumes total design control over the presentation of all exhibits. Entries designed for hanging and not so equipped will be hung in a manner deemed appropriate by the Fair. No exhibit changes will be made once the entries have been displayed. Once an entry has been received by the Florida State Fair, no further handling of entry by exhibitor shall be permitted. Relocation and final placement shall be accomplished by Florida State Fair personnel. Entries requiring assembly/disassembly must include detailed instructions and sketches for assembly/disassembly.
