

Horticulture Display Guidelines for Plant Societies, Guilds & Organizations

updated 10/3/19

Display Information:

- All displays should be educational artistically designed.
- The display will be maintained by the society or organization at a high standard of quality for the duration of the fair. **A set-up premium of \$350.00 will be paid to each society.**
- All displays will be inside the Florida Center building.
- The fair will not provide the mulch for the displays.
- Societies, Guilds and organizations are welcome to be at their display any time during the fair. This is a great way to share information and create public awareness.
- The display location will be assigned after all applications are confirmed. The size of the display will be 10' x 10'.

Attention

All water must be retained within your booth.
You may use pot trays.
