Enclosure of Bleacher Storage Structure at the Florida State Fair Fairgrounds

I. GENERAL DESCRIPTION OF REQUIREMENTS AND SERVICES REQUESTED.

The Fairgrounds is a 331-acre complex, home to the Florida State Fair (the "Fair"), and features indoor and outdoor exhibitions as well as livestock and equestrian area ("Fairgrounds"). Expo Hall is an 88,000 square foot building within the Fairgrounds, which was built in the 1970s. There are approximately three thousand (3000) permanent bleacher-type seats located on the north and south ends of the building ("Permanent Seating"). The Permanent Seating is augmented by telescopic bleachers, which are removable when not in use ("Bleachers"). The Bleachers are stored in an existing structure which is enclosed only on three sides ("Bleacher Barn"). Photographs of the Bleacher Barn are attached to this Request for Proposals ("RFP") as Exhibit "A". The purpose of this RFP is to invite proposals from highly qualified contractors ("Contractor(s)") to furnish all labor and equipment to fully enclose the Bleacher Barn ("Project").

The monitoring and auditing of the quality of services provided by the Contractor, including but not limited to both scheduled and unscheduled on-site inspections, surveys of the Authority and Authority's representative's satisfaction, and communications with Authority's representatives following reports of failures or insufficiencies in the delivery of Services. The foregoing shall include review of incident and other reports and communication with designated Authority's representatives regarding critical issues such as trends in types of incidents and the implications for incident prevention, potential cost savings and improvement of safety procedures.
- F. The technical specifications and Scope of Services are described in Exhibit "B". A Bid Price Sheet is included as Exhibit "C".

III. PERFORMANCE QUALIFICATIONS DURING TERM OF AGREEMENT

It is anticipated that the Contractor chosen pursuant to this RFP will enter into a contract with the Authority for the performance of the Services ("Agreement"). The Agreement shall include, but is not limited to, the terms and conditions specified in this RFP. The Authority reserves the right to investigate or inspect at any time whether the Services, qualifications, or facilities offered by Contractor meet the Agreement requirements. If the Authority determines that the conditions of the solicitation documents are not complied with, or that the Services proposed to be furnished do not meet the specified requirements, or that the qualifications, financial standing, or facilities are not satisfactory, the Authority may reject the Contractor’s response. The Contractor may be disqualified from receiving awards if Contractor, or anyone in Contractor's employment, has previously failed to perform satisfactorily in connection with public bidding or contracts. A. Cost Of Preparing And Submitting Statements

Each Contractor shall pay their own costs and expenses in connection with responding to this RFP, any discussions, and/or any contract, agreement or transaction ultimately awarded by or entered into with the Authority, unless otherwise specifically agreed by the Authority in writing. The Authority is not responsible for any expenses that any Contractor may incur in the preparation or submittal of any document(s) or the making of any presentation to the Authority or the conducting of any interview, including but not limited to, costs associated with travel or accommodations.

B. Reservations And Options

To the fullest extent permitted by law, the Authority reserves the right to award any combination of services or contracts, reject any or all proposals or responses, and/or waive informalities, minor irregularities, inconsequential deviations, and minor variations from specifications in proposals received. The Authority may accept any item or group of items of any proposal that will produce the most satisfactory results suited to its requirements. Without limiting the foregoing, the Authority reserves the right and options to: reject any or all of the submittals; waive or modify any of the provisions of the RFP; issue subsequent RFPs; cancel the RFP process; waive any errors in responses it receives.

More than one RFP response from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that a party is interested in more than one response for the same work will cause the rejection of all responses in which such firm is believed to be interested.

Any or all RFP responses will be rejected if there is reason to believe that collusion exists among those responding and no participants in such collusion will be considered in any future invitations for the same work. Falsifications of any entry made in the firm's response or in any other written or oral communication with the Authority will be deemed a material irregularity and will be grounds for rejection.

RFP responses received by the Authority after the RFP opening time and date will be rejected as untimely and will not be opened. A late response notice will be sent to the firm upon the posting of any award notice. Unclaimed late responses will be destroyed after 45 days.

C. Conflict Of Interest Disclosure

All Contractors must disclose with their response the name of any officer, director, partner, employee or agent of the firm who is also a director, member, or employee of the Authority. By submitting a response, a Respondent shall be deemed to represent and warrant the following to the Authority:

- 1.** No person or entity employed by the Authority or otherwise involved in preparing this RFP on behalf of the Authority: (i) has provided any information to Contractor that was not also available to all entities responding to the RFP; (ii) is affiliated with or employed by Contractor or has any financial interest in Contractor; (iii) has provided any assistance to Contractor in responding to the RFP; or (iv) will benefit financially if Contractor is selected; and Contractor has not offered or given to any Authority employee any gratuity or anything of value intended to obtain favorable treatment under the RFP or any other solicitation or other contract, and Contractor has not taken any action to induce any Authority or employee to violate the rules of ethics governing the Authority and its employees. Contractor has not and shall not offer, give, or agree to give anything of value to the Authority, or any of its employees, agents, job shoppers, consultants, managers, or other person or firm representing

the Authority, or to a member of the immediate family (i.e., a spouse, child, parent, brother, or sister) of any of the foregoing. Any such conduct shall be deemed a violation of this RFP.

2. As used herein, “anything of value” shall include but not be limited to any (a) favors, such as meals, entertainment and transportation (other than that contemplated by this RFP, if any, or any other contract with the Authority) which might tend to obligate the Authority employee to Respondent, and (b) gift, gratuity, money, goods, equipment, services, lodging, discounts not available to the general public, offers or promises of employment, loans or the cancellation thereof, preferential treatment, or business opportunity. Such term shall not include work or services rendered pursuant to any other valid Authority contract.

D. Miscellaneous Provisions

1. **Change in Contractor’s Information:** If after Contractor has submitted a response, substantive information provided in that response changes, the Contractor must notify the Authority in writing and provide updated information. The Authority reserves the right to evaluate the modified response, eliminate a Contractor from further consideration, or take other action as the Authority may deem appropriate.

2. **Restricted Communications – Cone of Silence:** The Authority has established a cone of silence applicable to this RFP. The cone of silence will be imposed beginning with the advertisement of this RFP and will end upon the earlier of the selection of a Contractor by the Authority or the termination of the procurement process by the Authority. The cone of silence prohibits any communications regarding this RFP or respecting any issue related to this RFP between (i) a potential Contractor, (which includes vendors, service providers, bidders, proposers, lobbyists, consultants and advisors) and their representative(s), on the one hand, and Authority staff, on the other hand, except for communications made pursuant to this RFP, provided the communication is strictly limited to procedural matters or is otherwise expressly permitted by this RFP (such as, for example, providing a response to a direct inquiry or request for clarification from the Authority), (ii) a potential Contractor and their representative(s), on the one hand, and an Authority member / board member on the other hand, and/or (iii) a potential Contractor and their representative(s), on the one hand, and a member of the Authority’s Evaluation Committee, on the other hand. However, unless specifically provided otherwise by the Authority, the cone of silence does not apply to (a) communications with the Authority’s legal counsel, (b) oral communications at any pre-qualification conference or at any presentation or interview granted by the Authority, (c) oral communications during any Evaluation Committee meeting, and/or (d) communications with Authority staff or Evaluation Committee members by a Contractor during any negotiations between the Authority and that Contractor. Any violation of the cone of silence will render voidable the Contractor’s response and/or any awarded agreement or other written commitment.

3. **Selection Non-Binding:** Neither this RFP, nor the receipt or acceptance of any response submitted by any Contractor, nor the pre-qualification of a Contractor for a presentation or interview before an Evaluation Committee, nor the short-listing or ranking of any Contractor by the Evaluation Committee, nor any oral or written statement related to this RFP made by the Authority or any of its representatives constitutes a binding commitment on the part of the Authority to enter into any contract, development agreement, memorandum of understanding, or other contractual commitment with any Contractor or any other party. Each Contractor acknowledges and agrees that, unless and until a written definitive agreement between it and the Authority has been executed and delivered, the Authority will not be under any legal obligation of any kind whatsoever by virtue of this document or any other written or oral expression. The Authority reserves the right at all times to reject any and all Responses when such rejection is in the best interests of the Authority, and/or to reject the Response of a Contractor who the Authority determines is unable to adequately perform a contract with the Authority, all in the sole and absolute discretion of the Authority. The Authority also reserves the right to waive any minor irregularity or technicality in or with respect to any response received – but the Authority has no duty to do so.

4. Sunshine Law and Public Records Act; Waiver of Trade Secrets. The Authority is subject to the requirements of the Government in the Sunshine Law, Art. I, § 24(b), Fla. Const.; §286.011, Fla. Stat., as well as the requirements of the Florida Public Records Act, Chapter 119, Florida Statutes. Contractors are hereby notified that information submitted as part of, or in support of, any response hereto will be available for public inspection in compliance with Chapter 119, Florida Statutes. The Contractor shall not submit any information in response to this RFP which the Contractor considers to be trade secret, proprietary or confidential. The submission of any information by Contractor to the Authority in connection with this RFP shall be deemed conclusively to be a waiver by said Contractor of any trade secret or other legal protection which would otherwise be available to Contractor. Any claim to confidentiality or trade secret protection is deemed expressly waived by the Contractor upon submission of any information to the Authority.

5. Public Entity Crimes; Discrimination. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a response to this RFP or enter into any contract to provide any goods or services to a public entity, may not submit a response to this RFP or enter into any contract for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity for a period of 36 months from the date of being placed on the convicted vendor list. A firm that has been placed on the discriminatory vendor list may not submit a response to an RFP on a contract to provide goods or services to a public entity, may not submit a response to an RFP on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact any business with any public entity.

A firm that has been placed on the discriminatory vendor list may not submit a response to an RFP on a contract to provide goods or services to a public entity, may not submit a response to an RFP on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact any business with any public entity.

6. Employment of Unauthorized Aliens. The following standard provision shall apply to any contract that may ultimately be awarded as a result of this RFP: The employment of unauthorized aliens by any firm is considered a violation of section 274A(e) of the Immigration and Nationality Act [8 U.S.C. §1324]. If the firm knowingly employs unauthorized aliens, such violation would allow the Authority to unilaterally cancel any contract.

7. Non-Liability; Indemnity. The firm contracted pursuant to this RFP shall hold harmless and indemnify to the fullest extent permitted by applicable law, the Authority, the State of Florida, the Authority Members, and all directors, managers, members, trustees, employees, attorneys, consultants, independent contractors, agents and representatives of each of them (all, collectively, the "Indemnified Parties"), from and against any and all claims, damages, losses, liabilities, penalties, fines, costs and expenses (including reasonable attorney's fees and related expenses) (all, collectively, "Losses") arising out of, resulting from or related to the performance or non-performance of any contract or work or any act or omission of the firm (including also the firm's officers, directors, managers, members, employees, attorneys, consultants, independent contractors, agents and representatives), provided that such Losses are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (including loss of use resulting therefrom), or to a breach of any written agreement or commitment by the firm, or to the negligence, recklessness or wrongful conduct or any violation of any applicable law by the firm (or any of its officers, directors, managers, members, employees, attorneys, consultants, independent contractors, agents and representatives), all regardless of whether or not such Claim(s) are caused in part by any of the Indemnified Parties. The Authority reserves the right, at its option, to participate in the defense of any

suit, without relieving the firm of its indemnity obligations. The foregoing indemnification clause shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which otherwise exist in favor of any of the Indemnified Parties under any law, statute, rule, regulation, or ordinance or under any contract or at common law. The foregoing indemnity obligations shall not be limited by the amount of any insurance required to be obtained or maintained by a firm. Nothing herein or in any contract ultimately entered into by the Authority will be construed as a waiver of any immunity the Authority may have under the doctrine of sovereign immunity. If this clause is found to conflict in any way with Florida law, the clause will be considered modified to the minimum extent necessary to remedy the conflict and make the clause enforceable

8. Independent Contractor. A firm, in performance of any executed definitive agreement with the Authority, shall at all times act in the capacity of an independent contractor, and neither the firm nor any of its officers, directors, managers, members, employees, attorneys, consultants, independent contractors, agents or representatives shall be considered an officer, director, manager, member, employee, or agent of the Authority.

9. Compliance with Laws. The Contractor shall comply with applicable Federal, State, and local laws and regulations and Florida State Fair Authority Regulations and Policies with respect to its participation in the RFP process. If the Contractor receives an award as a result of the RFP, Contractor shall continue to comply with the foregoing laws, regulations, and policies. If Contractor fails to comply with the requirements of the proceeding sentences, the Authority in its sole discretion, may disqualify Contractor, or if Contractor has been awarded a contract pursuant to the RFP, the Authority, in its sole discretion may determine that Contractor is in default.

10. Right to Terminate. In the event any of the provisions of the Agreement are violated by the successful proposer, the Authority may serve written notice upon Contractor of its intention to terminate the contract. Such notice will state the reason(s) for the intention to terminate the Agreement. If the violation does not cease and satisfactory arrangements for correction are not made within ten (10) days after the notice is served upon the Contractor, the contract shall cease and terminate. The liability of the Contractor and/or his surety for any and all such violation(s) shall not be affected by any such termination.

11. Minority Business Enterprises. The Authority desires to encourage ultimate award of a contract, or subcontracting portions of a contract to, or purchase of goods or services from, State of Florida Certified Minority Business Enterprises ("CMBE"s). Each Contractor must state whether or not they are a CMBE, and if not, what percentage of any total contract price may be spent with CMBE firms who will be supplying them. Only CMBEs properly certified by the State of Florida will be considered in evaluating minority business enterprise status. If Contractor is a CMBE, the Contractor must submit certification documentation as part of its response.

12. No Assignment. Neither the selection of any Contractor following this RFP, nor any short-listing or ranking of any Contractor, nor any contract ultimately awarded, nor any right related to any of the foregoing, may be assigned, delegated or transferred by said firm without the prior written consent of the Authority.

13. Addition/Deletion. To the greatest extent permitted by applicable law, the Authority reserves the right to add or delete any item from this RFP or any resulting document or contract when deemed to be in the Authority's best interests.

14. Publicity. A firm shall coordinate all publicity relating to bid or contract with the Authority, and a firm shall not issue or publish (or cause to be issued or published) any press release or publicity statement, written or oral, without prior written consent of the Authority.

15. Governing Law. The interpretation and construction of this RFP and any response hereto, any transaction or dispute related thereto or hereto, and any contract that may ultimately be entered into with any firm will be governed by and construed under the laws of the State of Florida.

Such insurance shall comply fully with the Florida Worker's Compensation -Law. In case any class of employees engaged in work under his contract at the site of the project is not protected under Worker's Compensation statute, the Contractor shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the Authority, for protection of the employees not otherwise protected.
