

# “KELVINS’ KAPS 4 KANCER!”

## 2018 Caps for Cancer Competition

In September of 2017 the Fremont County Fair lost our great friend and longtime colleague, Kelvin Plumb to Pancreatic Cancer. This contest is in honor of him and the great service he gave to the Fremont County Fair.

To Enter: Make a cap that will be used by a patient fighting their battle with cancer! These caps are needed year round and your participation will be for a worthwhile cause. All caps must be new – never worn; free of perfume, pet hair and smoke; soft yarn (fabric for turbans) is best – cotton, acrylic, silk, fleece or a blend is best. Do not use wool or alpaca as they can irritate the scalp. Please use patterns that do not have gaps or large holes, a tighter stitch is best so that it covers the scalp.

Entries will be taken at the Fremont County Fair Office Friday, July 27, 2018 from 8 a.m. to 7 p.m. Each cap must be placed in a clear Ziploc style plastic bag and have name and phone number of exhibitor attached.

*All caps will be donated to Tough Enough Cancer Fund, as well as Cancer Centers used by local residents, and will be delivered after the fair. The Caps will be on display in the Fremont Center, Open Class Department, during the 2018 Fremont County Fair.*
