Here's How to Get Through the Lines Faster at Drive-Thru Eats, presented by Toyota

We know lines aren't for everyone and we have the answer for you – a Fast Pass! These one-time-only use Fast Passes get you to the front of the entry line at Drive-Thru Eats so you can begin enjoying your favorite Fair food and entertainers sooner! Fast Pass access is off of Kings Canyon Avenue through a special marked entry gate. Fast Passes are valid during Drive-Thru Eats, October 9-18.

See below for details on the different ways you can get Fast Pass access!

### Purchase Your \$50 Fast Pass at Save Mart & FoodMaxx | On Sale September 30 – October 18

Fast Passes will be available for purchase for \$50 at participating Save Mart and FoodMaxx locations from September 30 through October 18. This purchase not only gets you access to the front of the entry line, it also goes to support the Fair to help ensure this Valley tradition is here for generations to come.

Save Mart & Foodmaxx have graciously agreed to donate all sales from the Fast Passes to the Friends of the Big Fresno Fair, the Fair's 501 (c)(3) nonprofit Foundation to support overall Fairgrounds operations. Normal business operations have been limited since March due to COVID-19, and the Fair has had minimal revenue to sustain operations of its 165-acre facility. So get your Fast Pass and help the Fair!

### Toyota Drivers Get FREE Fast Pass Access | October 9 – 18
