

HORTICULTURE

Superintendent: Elizabeth Garrett, Perry

Participating Societies and Organizations:

Middle Georgia Chapter, American Camellia Society

Camellia District IV and Magnolia District V,

Member of The Garden Club of Georgia, Inc.

Member of Deep South Region

Member of National Garden Clubs, Inc.

Standard Flower Show - October 5-7

Camellia Show - October 13-14

All Flower Shows will be located in the Miller-Murphy-Howard Building. Exhibits must be brought through the North gate or the West gate to the designated area at the front side of the Miller-Murphy-Howard Building. Vehicles must be moved after unloading.

FOR SPECIFIC INFORMATION ON EXHIBIT RECEIVING AND RELEASE TIMES,
PLEASE CHECK THE RULES FOR EACH SHOW.

MMH Building

West Front Entrance

ELIGIBILITY

1. **All exhibitors are required to read and abide by the Georgia National Fair General Rules And Regulations.** PLEASE NOTE...IT IS YOUR RESPONSIBILITY TO READ AND UNDERSTAND THE RULES. *If you have questions, you may certainly e-mail us at contests@gnfa.com. Please help us prevent entry disqualifications.*

2. All flower shows in this department are open to any amateur gardener in the state of Georgia. Entries must be made in the individual's name. No entry fee is required. Please check each show for rules pertaining to that show.

3. Youth Horticulture entries MUST STATE EXHIBITOR'S SCHOOL ON ENTRY CARD. Any entry without this information will be judged with adult entries.

ENTRY REQUIREMENTS

4. Exhibitors must complete an official entry form of the Georgia National Fair to be eligible for cash awards.

5. Special Exhibits and Design Classes of the Standard Flower Show are open to any amateur designer, but must be registered with the entries chairman.

6. PREREGISTRATION IN ALL SECTIONS IS ADVISED.

7. Only one entry per class, per exhibitor, except where class is subdivided according to color, variety, or kind. Duplicate entry tags will be disqualified.

8. Two or more persons may not exhibit the same variety from the same garden. Gardens located at the same address are considered the same garden.

9. Exhibits must be checked by Classification Committee for each show to receive an entry tag. Both entry form and tag must be properly completed by the exhibitor and tag must be attached to exhibit prior to being placed in the show. The decision of the Classification Committee is final. **Exhibitors bringing more than 15 specimens must obtain entry tags in advance and should arrive two hours prior to close of entries for that show.**

10. Except where noted in the Camellia Show rules, all flower show exhibits must have been grown by exhibitor or have been in the possession of the exhibitor for at least 90 days and be named by common and botanical names (if possible) on the entry tag. Named varieties will be given precedence over unnamed ones. Plants that are staged on a table for the protection of the plant may be elevated with a clay pot not to exceed 15".

11. REMOVAL - No exhibit or part of an exhibit shall be removed at any time during the Fair except by authorized personnel at designated times. Any violation of release time will result in forfeiture of all premiums earned by exhibitor.

12. While the Georgia National Fair and participating flower societies will exercise due caution in safeguarding exhibits, they cannot assume responsibility for injury or loss. Valuables used in exhibits should be insured by the exhibitor.

13. The management reserves the right to reject any exhibit which does not meet its standards for exhibition and the Superintendent shall have the right to remove or exclude from the show at any time any exhibit, or part thereof, which is below the standards of good showmanship.

AWARDS AND PREMIUMS

14. Georgia National Fair ribbons and cash prizes may be awarded in each Class or variety where noted and a Georgia National Fair Rosette may be awarded in Sections where noted. Cash awards (premium checks) will be mailed within six weeks after the Fair is over.

15. Mark C. Ford, Jr. Georgia National Sweepstakes Plaque will be awarded to the winner of the most blue ribbons in Horticulture, Division 600.

16. Consult schedules of each show for special awards offered by participating societies and organizations.

Admission Free With Fair Gate Fee

Dedication

This is a Flower Show dedicated to the Military, Law Enforcement, and Firefighters that help keep us free and safe. Our country is the BEST because of the efforts put forth by these caring and duty bound citizens. We owe them so much. No other country has the opportunities and freedoms that we have. This does not happen by accident. It is sacrifices made by this group of citizens and their families that make it all happen. This Flower Show is our way of saying thank you so much for all that you do for us and this country. We salute our first responders.

Martha Price, 2018 Flower Show Chairman

GENERAL RULES

1. **All exhibitors are required to read and abide by the Georgia National Fair General Rules and Regulations and the Horticulture Department Rules as set forth by the Georgia National Fair (found at <https://www.georgianationalfair.com/p/other/finearts>). PLEASE NOTE: IT IS YOUR RESPONSIBILITY TO READ AND UNDERSTAND THE RULES. If you have questions, you may e-mail us at contests@gnfa.com. Please help us prevent entry disqualifications.**

2. All divisions of the *Standard Flower Show* will be located in the Miller-Murphy-Howard Building at the Georgia National Fairgrounds. Exhibitors must use the NORTH or WEST Gates and follow the Flower Signs to the designated area at the Miller-Murphy-Howard Building. Volunteers with carts may be available to assist.

3. This schedule is written to conform to all rules, requirements, and objectives of the National Garden Clubs, Inc. (NGC) and The Garden Club of Georgia, Inc. The *Handbook For Flower Shows*, revised 2017 edition (hereafter referred to as Hb), and The Amendments listed in *The National Gardener* shall be the authority in all points not covered in this schedule.

4. Any amateur gardener may enter in the Horticulture Division, and is encouraged to do so. The Design Division and Educational Division are open to exhibitors who are familiar with the National Garden Clubs, Inc. Principles and Elements of Design and with Design Division Policies and must be familiar with the requirements and considerations of NGC. The Youth Division is open to any youth, preschool through eighteen years of age.

5. Horticulture entry cards are available from the Flower Show Co-Chair-

man, Lynn Freedman, 229-236-4902, email: lynrdjaf2@yahoo.com, if needed in advance. An NGC horticulture entry card, filled out on both top and bottom sections, must accompany each entry. Exhibitors are requested to legibly complete entry cards in advance using pencil or water proof ink to fill in Section, Class and Botanical Name or Currently Accepted Scientific Identification. Genus and species are underlined when handwritten and italicized when mechanically printed. Computer-generated address labels may be used if waterproof. The Classification Chairmen for each division check exhibits for conformity to the schedule prior to judging. Final determination for conformance is the judges' responsibility. Horticulture that is not of show quality will be disqualified.

6. Entries must be submitted on Thursday, October 4, from 3:00 PM until 7:00 PM at the Miller-Murphy-Howard Building (Georgia National Fairgrounds, Perry, Georgia) and on Friday, October 5, entries will be accepted from 7:30 AM until 9:00 AM. Judging will begin at 10:00 AM, October 5, 2018. The Show Chairman and the Classification Chairmen for each Division are available during judging for possible consultations. They along with the judges and clerks, are the only personnel allowed on the floor during judging. The Photographer may take photos before and after judging, but not during judging. Entries must be removed after 5:00 PM on Sunday, October 7, 2018, but not later than 7:00 PM.

7. The decisions of the judges are final. Awards may be withheld if not merited. The use of any part of plants on the State Conservation List is strictly prohibited. The State Conservation List

is located at the end of the schedule, or at <https://www.georgianationalfair.com/p/other/finearts>.

8. There must be an emphasis on fresh plant material. The use of artificial flowers and foliage, prepared foods, or cut fruits and vegetables is not permitted in the Standard Flower Show.

9. The American flag and other national flags must be displayed in a respectful manner. In order not to offend, American and other national flags may not be incorporated into any competitive designs and may not be used as underlays, swags, or the like.

10. All personal property should be clearly labeled. The Show Committee, Magnolia District and Camellia District, as well as the Georgia National Fair, will exercise the utmost care to protect personal property, but will not assume responsibility for any loss or damage.

11. Each exhibitor is limited to one entry per class except in the Horticulture Division. An exhibitor can have more than one entry in horticulture when classes are subdivided.

12. The National Garden Clubs, Inc. Standard System of Awarding will be used for all competitive judging. Only one first place (blue dot) per class or sub-class (must score 90 or above), only one second place (red dot) per class or sub-class (must score 85 or above), only one third place (yellow dot) per class or

sub-class (must score 80 or above), and one or more honorable mention (white dot) as merited (must score 75 or above) may be placed at the discretion of the judges. Decision of the judges is final. Awards may be withheld if exhibits do not merit recognition.

13. Judges are requested to review the red, yellow, and white winning exhibits in all divisions to determine if any of them scored 90 or above (90+). An Accredited Judge must sign and date all blue dot entry cards, 90+ entry cards and NGC Top Exhibitor Award Rosettes. Judges are requested to leave written comments on exhibits in Division II, Design, Division III, Education, and Division IV, Youth (Design).

14. Each exhibit in competition for being judged and for the NGC Top Awards must be the work of one individual. Designs and/or Educational Exhibits must not have been exhibited in previous flower shows or any other venue for judging and point scoring by the NGC Standard System of Awarding. The Schedule is the Law of the Show.

15. The Flower Show opens to the public on Friday, Oct. 5, 2018, at 1:00 PM and closes on Sunday, Oct. 7, 2018, at 5:00 PM.

16. Premiums will be paid based on punched tags turned in by the Show Committee.

Georgia National Fair Horticulture Awards

Georgia National Fair Award of Excellence Rosette may be awarded in each section of Horticulture, Division I.

Mark C. Ford, Jr. Georgia National Fair Horticulture Sweepstakes Plaque will be awarded to the winner of the most blue ribbons in Horticulture, Division I.

National Garden Clubs, Inc., Awards

The National Garden Club (NGC) Standard System of Awarding is used in all divisions as follows:

Only one (1) first-place (blue) dot per class or sub-class; must score 90 points or more.

Only one (1) second-place (red) dot per class or sub-class; must score 85 points or more.

Only one (1) third-place (yellow) dot per class or sub-class; must score 80 points or more.

One (1) or more honorable mention (white) dots are merited; must score 75 points or more.

Horticulture Division I

To be considered for any of the NGC Top Awards in Horticulture, the exhibit must be identified by its binomial name or its currently accepted scientific identification.

Award of Horticultural Excellence is offered to the highest scoring blue ribbon/dot winner and correctly named exhibit in the entire Horticulture Division. It is a rosette of green, orange, and blue ribbons. (Hb 2017 edition, Chapter 5, Awards, Pg 40).

Arboreal Award, rosette of green ribbons in two shades, may be given to the highest scoring correctly named shrub or tree exhibit scoring 95 or above in Division I. Two may be awarded, one in each of the following sections. (Hb 2017 edition, Chapter 5, Pg 40)

Division I, Section I, Classes 63-79 Shrubs

Division I, Section J, Classes 80-93 Trees

Award of Merit, rosette of orange ribbons in two shades, may be given to the highest scoring correctly named cut non-arboreal exhibit scoring 95 or above in Division I. (Hb 2017 edition, Pg 41) Five may be awarded, one in each of the following sections:

Division I, Section A, Classes 1-6 Annuals and Biennial

Division I, Section B, Classes 7-17 Flowering Perennials

Division I, Section C, Classes 18-28 Rosa

Division I, Section D, Classes 29-34 Bulbs, Corms, Rhizomes and Tubers (flowering)

Division I, Section O, Classes 114-125 Legumes and Vegetables

Collectors Showcase Award, rosette of brown and green ribbons may be given to the highest scoring correctly named exhibit scoring 95 or above in Division I. (Hb 2017 edition, Pg 41) Two may be awarded, one in each of the following sections:

Division I, Section K, Classes 94-98 Collections

Division I, Section L, Classes 99-103 Displays

Grower's Choice Award, rosette of dark green ribbons in two shades, may be given to the highest scoring correctly named exhibit, scoring 95 or above in Division I. (Hb 2017 edition, Pg 41) Three may be awarded, one in each of the following sections:

Division I, Section P, Classes 126-131 Flowering Container-Grown Plant

Division I, Section Q, Classes 132-145 Foliage Container-Grown Plant

Division I, Section S, Classes 155-157 Combination Planting

Design Division II

Award of Design Excellence, is offered to the highest scoring blue ribbon/dot winner in the entire Design Division. (Hb 2017 edition, Chapter 5, Pg 42)

Table Artistry Award, a rosette of blue and white ribbons, may be given to the highest scoring exhibit, scoring 95 or above in Division II, Section A, Classes 1, 2, and 3, with four designs in each class. (Hb 2017 edition, Chapter 5, Pg 43)

Designer's Choice Award, rosette of purple ribbons, may be given to the highest scoring exhibit, scoring 95 or above in Division II, Section B, Classes 4, 5, and 6 with four designs in each class. Plant material used in the exhibit may be dried and/or fresh. (Hb 2017 edition, Chapter 5, Pg 42)

Petite Award, a small rosette of blue and white ribbons, may be given to the highest scoring exhibit, scoring 95 or above in Division II, Section C, Classes 7, 8, and 9, with four designs in each class. (Hb 2017 edition, Chapter 5, Pg 43)

Education Division III

Educational Top Award, rosette of brown & white ribbons, may be given to the highest scoring exhibit scoring 95 or above in Division III, Educational, Exhibits 1, 2, and 3. Must be the work of an individual. One per show may be awarded. A minimum of two educational exhibits designated as eligible must be present. (Hb 2017 edition, Chapter 5, Pgs 43-44)

Youth Division IV

Youth Top Exhibitor Award, rosette of red, white and blue ribbons, may be given to the highest scoring exhibit scoring 90 or above. One award may be placed in each age group in each of the following sections: in Division IV, Section A Horticulture, Classes 1, 2, 3, 4, 5, and 6; Section B Designs, Classes 7, 8, and 9; and Section C Education, Classes 10, 11, and 12. (Hb 2017 edition, Chapter 5, Pg 44)

Division 600 - Horticulture Rules

1. The Horticulture Division is open to any amateur gardener. Entries must be made in individual's name. Read General Rules of this schedule which govern this competition. The NGC Exhibit Policies are printed in the Handbook for Flower Shows, Chapter 6, "Exhibiting in the Horticulture Division", Pg 55.

2. Entries will be accepted from 3:00 PM until 7:00 PM on Thursday, October 4 and from 7:30 AM until 9:00 AM on Friday, October 5, 2018, in the Miller-Murphy-Howard Building. **NO ENTRIES WILL BE ACCEPTED AFTER 9:00 AM ON FRIDAY, OCTOBER 5.** Entries may be brought through the North or West gates; follow the flower show signs to the designated area at the Miller-Murphy-Howard Building. There will be some parking available in front of the building for unloading. **VEHICLES MUST BE MOVED AFTER PLANTS ARE UNLOADED.** Volunteers with carts may be available to assist. Exhibit release begins at 5:00 PM (not before), and ends at 7:00 PM on Sunday, October 7, 2018. The Show Committee will not be responsible for property left after that time.

3. Exhibitors are limited to a maximum of **50 entries** in Division I, Horticulture, which includes cut, container-grown, and fruit/vegetable specimens. **NO MORE THAN 15 CONTAINER-GROWN PLANTS WILL BE ACCEPTED FROM ANY ONE EXHIBITOR.** Exhibitors bringing more than 15 total specimens must obtain entry tags in advance and should arrive on October 4, 2018, or prior to 8:00 AM on October 5, 2018. Each entry submitted must be one cut specimen or one plant per container except for self-multiplying and other multiple container-grown plants.

4. Entry tags must accompany each entry. Each entry tag/card (both portions) must be completely filled out by the exhibitor with water-proof ink, labels or by pencil before being passed by the

Classification Committee. Entry tags may be obtained from the Horticulture Entries Chairman. Exhibitors will forfeit prize money if both portions of tag and GNF entry form are not completely filled out. All exhibitors are encouraged to secure entry tags/cards from the Entries Chairman well in advance of the show date (Hb 2017 edition, Chapter 6). The name on the entry tag must match the name on the GNF entry form.

5. An exhibitor may make more than one entry in any one class or subclass provided each entry is of a different cultivar, color, or type, unless otherwise specified in a particular class. **The entry tag must specify the difference.** The entries must be clean, well groomed and of show quality.

6. All specimens, whether cut, container-grown, **MUST** be fresh plant material grown by the exhibitor. Cut annuals, biennials, and perennials must have been in the exhibitor's possession from seeds, cuttings, or immature plants and grown to maturity. Bulbous blooms must have been in exhibitor's possession from planting of bulb, tuber, corm, or rhizome, or it must have been cared for as a mature plant for at least 90 days. Container-grown plants must have been in the possession of the exhibitor for not less than 90 days. Exception: multiple plantings must have been grown together by the exhibitor for a minimum of six weeks.

7. Specimens with a class designation may not be entered in the "Any Other Worthy" class.

8. All entries must have been checked by the Classification Committee. **THE COMMITTEE MAY RE-LABEL ANY INCORRECTLY LABELED ENTRY AND DISQUALIFY ANY SPECIMEN THAT IS NOT OF SHOW QUALITY.**

9. Exhibiting plants that are on the State Conservation List will be prohibited. A list of protected species is available at the end of this schedule. Native plants

other than those on the State List can be exhibited in the Horticulture Division provided they are grown by the exhibitor.

10. Each horticulture specimen must be identified with its binomial name or its currently accepted scientific identification. Only those specimens so named will be eligible for NGC National Top Awards. Include variety or cultivar when possible. The common name may be added. Trademarked or registered trademarked names are a legal entity that may or may not be the actual cultivar name. Trademarked names are acceptable in an NGC Standard Flower Show in place of a cultivar name. Trademarked names are not enclosed in single quotes. (Hb 2017 edition, Chapter 6)

11. The Classification Committee and/or the General Chairman are allowed to subdivide classes (as necessary) by color, form, size, cultivar, variety, or other distinguishing characteristic.

12. Cut horticulture specimens will be exhibited in clear glass bottles furnished by the Show Committee. Fruits/nuts/vegetables will be exhibited in baskets furnished by the Show Committee. If a plant is considered a flowering plant, it should be exhibited as a flowering specimen. Foliage plants may flower, but should be exhibited as foliage plant if grown for their leaves.

13. Plant material may not be altered by the application (treatment) of oil, commercial "shine" product, dye, etc., that may artificially change the natural color or texture. No wiring is allowed for single specimens (exception, trained plants).

14. Cut specimens should not have any foliage below the water line (exception-Gladiolus, at least two leaves).

15. Arboreal specimens can be no longer than 30" from the tip of the specimen to the cut end. Each cut branch must be at least 12" long, include several nodes (see specific section requirement) and have an apical tip.

Dwarf/minature specimens can be no shorter than 6" and must contain at least two nodes and have an apical tip.

16. Containers for container-grown plants may not exceed 14" in diameter and should be in proportion to the plant size. A saucer underneath is required.

17. Cut specimens of *Hedera helix* (English ivy) and vines should be no longer than 24" and must have an apical bud or new growth.

18. Double potting is permitted; however, inner pot must not be visible.

19. Cut horticulture specimens may be wedged with a small piece of green Styrofoam or celery furnished by the exhibitor. Bottles are furnished by Show Committee.

20. Only members of the Horticulture Placement Committee are eligible to place entries.

21. Reservations for exhibiting large specimens must be made in advance with Lynn Freedman, Show Co-Chairman, 229-236-4902. Reservations must be made by October 4, 2018, in order to assure space for each exhibit. This includes container-grown, collections, and displays entries.

22. Judges are eligible to enter in Horticulture Division, except those Sections that they are judging.

23. Judges are requested to review the red, yellow, and white winning exhibits to determine if any of them scored 90 or above and to so indicate on the entry card. **AN ACCREDITED JUDGE IS REQUESTED TO SIGN AND DATE ALL BLUE AND 90+ ENTRY CARDS AND TOP AWARD ROSETTES.**

23. **Scale of points for Judging Horticulture is located in the *Handbook for Flower Shows*, 2017 Edition, Chapter 14.**

Division I – Horticulture
“Our Country Prevails”
 Eligible for Award of Horticulture Excellence
 Georgia National Fair Award of Excellence Rosette
 may be given in each Section.

GNF Awards

1st 2nd 3rd HM
 \$4 \$3 \$2

Section A
“Blooming Rewards”
Annuals and Biennials

Eligible for **Award of Merit**

Cut Specimens, Flowering, One Stem

Class

1. *Ageratum houstoniaum*
(ageratum)
2. *Begonia semperflorens* (wax begonia)
 - a. Pink
 - b. Red
 - c. White
3. *Celosia argentea* (cockscomb)
4. *Tagates erecta* (marigold)
5. *Zinnia elegans* (zinnia)
6. Any other annual or biennial not listed

Section B
“Heroes Return”
Flowering Perennials

Eligible for **Award of Merit**

Cut Specimens, Flowering, One Stem

Class

7. *Chrysanthemum x morifolium*
(garden mum)
 - a. Single Bloom
 - b. Spray
8. *Echinacea purpurea*
(coneflower)
9. *Gerbera jamesonii*
10. *Helianthus annuus* (sunflower)
11. *Justicia brandegeana* (shrimp plant)
12. *Michaelmas daisy* (aster)
13. *Phlox paniculata* (phlox)
14. *Plumbago auriculata* (plumbago)
15. *Rudbeckia hirta* (blackeyed Susan)
16. *Salvia*
17. Any other flowering perennial not listed

Section C
“Surviving the Thorns”
Rosa (roses)

Eligible for **Award of Merit**

A minimum of two (2) leaves, each with five leaflets, required.

Class

18. *Rosa* (climbing rose)
19. *Rosa* (floribunda rose)
20. *Rosa* (grandiflora rose)
21. *Rosa* (hybrid tea rose)
22. *Rosa* (miniature rose)
23. *Rosa* (mini-floras rose)
24. *Rosa* (old garden rose)
25. *Rosa* (polyantha rose)
26. *Rosa* (shrub rose)
27. *Rosa* (species/wild rose)
28. Any other *rosa* not listed

Section D
“Peach Comes Forth”
**Bulbs, Corms, Rhizomes,
 and Tubers (flowering)**

Eligible for **Award of Merit**

One Cut Stem

Class

29. *Canna generalis* (canna lily)
30. *Dahlia* (dahlia)
31. *Hedychium coronarium* (ginger lily)
32. *Lycoris radiata* (spider lily)
33. *Zingiber zerumbe* (pinecone lily)
34. Any other bulb, corm, rhizome, or tuber not listed

Section E “Taste of Glory”

Herbs (other than Echinacea purpura)

One Cut Stem

Class

35. *Allium carinatur* (chives)
36. *Anethum graucalens* (dill)
37. *Mentha* (mint)
38. *Ocimum basilicum* (basil)
39. *Rosmarinus officinalis* (rosemary)
40. *Salvia officinalis* (sage)
41. *Thymus vulgaris* (thyme)
42. Any other herb not listed

Section F “Runners of Life”

Vines

Maximum length 24 inches, must contain an apical tip or new growth.

Class

43. *Gelsemium sempervirens* (Carolina jasmine)
44. *Hedera helix* (ivy) small variety
 - a. Fruited
 - b. Green
 - c. Heart-Leaf
 - d. Variegated
 - e. Miniature
45. *Parthenocissus tricuspidata* (Boston ivy)
46. *Solanum jasminoides* (potato vine)
47. Any other vine not listed

Section G “Appreciating the Finest”

Ferns

One Cut Stem

Class

48. *Asplenium nidus* (bird's nest)
49. *Athyrium niponicum* (Japanese painted)
50. *Nephrolepis exaltata* (Boston)
51. Any other true fern not listed

Section H “Stately Appreciation”

Decorative Foliage

One Cut Leaf Stem

Class

52. *Asparagus densiflorus* (foxtail fern)
53. *Asparagus macowanii* (ming fern)
54. *Aspidistra elatior* (cast iron plant)
55. *Cyperus papyrus* (umbrella plant)
56. *Fatsia japonica* (fatsia)
57. *Hosta spp.* (hosta)
58. *Philodendron selloum* (Philodendron)
59. *Philodendron spp.* (philodendron)
 - a. Heart-shaped Leaves
 - b. Split-Leaf
 - c. Other
60. *Plectranthus scutellaroides* (coleus)
61. *Sanseveria trifasciata* (mother-in-law's tongue).
62. Any other decorative foliage not listed

Section I “Protective Bushes”

Shrubs

Eligible for **Arboreal Award**

Cut specimens, one stem unless otherwise noted. Branch length must be at least 12 inches, not to exceed 30 inches from tip of specimen to cut end. Each cut branch must have at least five nodes from cut end to tip and an apical tip. Dwarf/miniature specimen can be no shorter than 6 inches, must contain at least two nodes and an apical tip
Judging Considerations: (Hb, 2017 edition).

Class

63. *Aucuba japonica* (aucuba)
 - a. Green
 - b. Speckled
 - c. Splotched
 - d. Any other aucuba not listed
64. *Buxus macrophylla* (boxwood)
65. *Callicarpa americana* (beauty berry)
66. *Cleyera japonica* (cleyera)
67. *Euonymus japonica* (euonymous)
 - a. Green

- b. Variegated
68. *Hibiscus syriacus* (rose of Sharon)
69. *Hydrangea*
 a. *macrophylla* (lace cap)
 b. *macrophylla* (mophead)
 c. *quercifolia* (oakleaf)
 d. Any other hydrangea
70. *Ilex cornuta* (Burfordi and Chinese holly)
71. *Juniperus* (juniper)
72. *Mahonia bealei* (leather leaf mahonia)
73. *Nandina domestica* (nandina)
 a. Berried
 b. Without Berries
74. *Pittosporum tobira* (pittosporum)
 a. Green
 b. Variegated
75. *Podocarpus macrophyllus* (podocarpus)
76. *Pyracantha coccinea* (Firethorn)
77. *Thuja* (arborvitae)
78. *Viburnum setigerum* (tea viburnum)
79. Any other shrubs not listed

Section J “Rising to the Top” Trees

Eligible for **Arboreal Award**

Cut Specimens, one stem, branch length must be at least 12 inches, not to exceed 30 inches, from tip of specimen to cut end. Each branch must have several nodes and an apical tip. Dwarf/miniature specimen can be no shorter than 6 inches, must contain at least two nodes and an apical tip. Judging Considerations: (HB, 2017 edition).

Class

80. *Acer palmatum* (Japanese Maple)
81. *Acer rubrum* (red maple)
82. *Acer saccharum* (sugar maple)
83. *Cercis canadensis* (redbud)
84. *Cryptomeria japonica* (Japanese cryptomeria)
85. *Cupressocyparis leylandii* (Leyland cypress)
86. *Eucalyptus globulus* (eucalyptus)
87. *Ginkgo biloba* (ginkgo)
88. *Ilex opaca* (American holly)

89. *Lagerstroemia x natchez* (Natchez crape myrtle)
90. *Liquidambar styraciflua* (sweetgum)
91. *Magnolia grandiflora* (southern magnolia)
92. *Pinus* (pine)
93. Any other tree not listed

Section K “Working Together” Collections

Eligible for **Collectors Showcase Award**
 Five specimens (cut specimens, container-grown plants, or sets of fruits, vegetables, or nuts) exhibited in individual, identical or compatible containers (or plates, mats, etc., for fruits, vegetables, or nuts), furnished by the exhibitor, to be placed by the exhibitor in the designated area (a flat table-top surface 24 inches wide and 31 inches deep). For fruits, vegetables, or nuts, five sets of three like specimens are required. Container-grown plants are to be staged in containers no more than seven inches in diameter. For fruits, nuts or vegetables, individual plates or mats are to be no more than ten inches in diameter. Advance registration required by October 4, 2018.

Class

94. Container-Grown Plants
 a. Flowering
 b. Foliage
95. Cut Specimens
 a. Flowering
 b. Foliage
96. Fruits
97. Nuts
98. Vegetables

Section L “Reaping Together” Displays

Eligible for **Collectors Showcase Award**
 Five specimens (cut specimens, container-grown plants, or sets of fruits, vegetables, or nuts) exhibited in individual, identical or compatible containers (or plates, mats, etc., for fruits, nuts, or vegetables), furnished by the exhibitor to be placed by the exhibitor in the designated area (a flat table-top

surface). For fruits, nuts, or vegetables, five sets of three like specimens are required. Container-grown plants are to be staged in containers no more than seven inches in diameter. For fruits, nuts, or vegetables, individual mats or plates are to be no more than ten inches in diameter. Requires advanced registration by October 4, 2018. Space for each display is 24 inches wide by 31 inches deep. Staging is important, and the exhibitor may enhance the presentation by using backgrounds, underlays, risers, or other decorative elements, without detracting from the plant material. Containers may be opaque. (HB 2017 edition, chapter 5, pg. 41, requirements)

Class

- 99. Container-Grown Plants
 - a. Flowering
 - b. Foliage
- 100. Cut Specimens
 - a. Flowering
 - b. Foliage
- 101. Fruits
- 102. Nuts
- 103. Vegetables

All exhibits must have been grown by the exhibitor in Georgia and selected from this year's growth, except nuts, which may come from last year's crop. Only one entry per variety may be made in each class by an exhibitor or from the same garden or orchard. Specimens will be staged in natural color straw baskets furnished by the Show Committee. Judging Considerations: See Scale of Points, 2017 edition of *Handbook*, Chapter 14. Uniformity in size, shape, color and texture is of major importance; specimens should be typical of variety, with average or slightly above average size. Freshness, maturity, and condition are also important. Specimens should be clean, free from blemishes, cracks, insect damage, dust or spray residue.

Fruits, Nuts, and Vegetables

GNF Awards: 1st 2nd 3rd HM
\$10 \$8 \$6

Section M "Taste of Rewards" Fruits

Class

- 104. *Citrus limon* (lemons) (5 specimens)
- 105. *Diospyros kaki* (Persimmons oriental) (5 specimens)
- 106. *Pyrus communis* (pears) (5 specimens)
- 107. *Pyrus malus* (apples) (5 specimens with stems)
 - a. Green
 - b. Red
 - c. Yellow
- 108. *Rubus fruticosus* (blackberries) (12 specimens)
- 109. *Vitis rotundifolia* (muscadines) (12 specimens)
- 110. Any other fruit not listed (5 specimens)

Section N "Hard Knocks" Nuts

Class

- Carva illinoensis* (pecan in shell) 12 specimens
- 111. Any named variety
- 112. Seedlings
- Carva tomentosa* (hickory) 12 specimens
- 113. Any variety

Section O "Healthy Options" Legumes and Vegetables Eligible for *Award of Merit*

Class

- 114. *Abelmoschus esculentus* (okra) (10 specimens)
- 115. *Brassica oleracea* (cabbage) (1 specimen)
- 116. *Capsicum* (bell pepper) (5 specimens)
- 117. *Capsicum* (hot pepper) (10 specimens)
- 118. *Curcubita* (pumpkin) (1 specimen)
- 119. *Curcubita* (squash, yellow) (5 specimens)
 - a. crookneck
 - b. straight

120. *Ipomoea batatas* (sweet potatoes)
(5 specimens)
121. *Lycopersicon esculentum* (Tomatoes)
(5 specimens exhibited with stem side down)
- beefsteak
 - cherry
 - determinate
 - indeterminate
 - Any other tomato not listed
122. *Phaseolus* (beans) (12 specimens)
- pole
 - snap
 - Any other bean/legume not listed
123. *Raphanum sativus* (radishes)
(5 specimens)
124. *Solanum tuberosum* (Irish potato)
(5 specimens)
125. Any other vegetable not listed

Container-Grown Plants

GNF Awards:

| <u>1st</u> | <u>2nd</u> | <u>3rd</u> | <u>HM</u> |
|------------|------------|------------|-----------|
| \$6 | \$4 | \$3 | |

All container-grown plants must be in containers not exceeding 14 inches in diameter; a saucer under the planter is required. No more than 15 container-grown entries will be accepted from any one exhibitor. Exhibitors should attach their name and address to the bottoms of their containers. Exhibitors may water their container-grown plant(s) if needed during the show (after judging has been completed); they are asked to contact a Hostess for assistance in doing so. Each container-grown plant must have been in the possession of the exhibitor at least 90 days prior to the show, with the exception of multiple plantings, which must have been growing together in the exhibitor's possession for at least six weeks.

Section P "Blooms that are Proof" Flowering Container-Grown Plants Must be in bloom

Eligible for **Grower's Choice Award**

Class

126. *Begonia* spp. (begonia)
- Begonia coccinia* (angel wing)
 - Begonia masoniana* (ironcross)
 - Begonia rex* (rex)
 - Begonia semperflorens* (wax)
 - Begonia tuberhybrida* (tuberous)
 - Any other begonia not listed
127. *Bromeliad* spp. (bromeliad)
128. *Chrysanthemum* (garden mum)
- Daisy
 - Pompon
 - Quill
 - Spider
 - Any other chrysanthemum not listed
129. *Pelargonium* (geranium)
- Pelargonium x hortorum* (garden geranium)
 - Pelargonium peltatum* (ivy geranium)
 - Any other geranium not listed
130. *Saintpaulia* (African violet)
- Single crown, single petal
 - Single crown, double petal
 - Miniature, single crown, single petal
 - Miniature, single crown, double petal
131. Any other flowering/colorful bract container-grown plants not listed

Section Q "Stems of Success" Foliage Container-Grown, except herbs

Eligible for **Grower's Choice Award**

Class

132. *Asparagus densiflorus* "Meyers"
(foxtail fern)
133. *Asparagus macowanii* (ming fern)
134. *Chamaedorea* spp. (palms)
135. *Chlorophytum comosum*
(spider plant)
136. *Codiaeum variegatum* (croton)

137. *Dieffenbachia amoena* (dumb cane)
 138. *Dracaena* spp. (dracaena)
 139. *Epipremnum aureum* (pothos)
 140. *Ficus* spp. (figus)
 141. *Hedera helix* (ivy)
 142. *Philodendron* spp. (philodendron)
 a. heart-shaped leaves
 b. split-leaf
 c. any other philodendron not listed
 143. *Schefflera* (*Schefflera* spp.)
 144. Cacti
 a. Desert
 b. Jungle
 145. Succulents
 a. *Agave* spp. (agave)
 b. *Aloe barbadensis* (aloe vera)
 c. *Beaucarnia recuvata* (ponytail palm)
 d. *Crassula argentea* (jade plant)
 e. *Euphorbia* spp. (euphorbia)
 f. *Sansevieria trifasciata* (mother-in-law's tongue)
 g. *Sempervivum tectorum* (hens and chicks)
 h. Any other foliage container-grown not listed

Section R
“Seasoning Contained”
Container-Grown Plants: Herbs

- Class
 146. *Mentha x piperita* (mint)
 147. *Ocimum basillicum* (basil)
 148. *Origanum* spp. (oregano)
 149. *Pelargonium* spp (scented geranium)
 150. *Rosmarinum officinalus* (rosemary)
 151. *Salvia* spp (sage)
 152. *Tagetes lucida* (tarragon)
 153. *Thymus* spp.(thyme)
 154. Any other herb not listed

Section S
“Cooperation of Many”
Combination Plantings
 Eligible for ***Grower’s Choice Award***

- Class
 155. Dish Garden
 156. Planter
 157. Terrarium

Section T
“Success Contained”
Container-Grown Plants: Ferns

- Class
 158. *Asplenium nidus* (bird's nest)
 159. *Athyrium niponicum*
 (Japanese painted)
 160. *Davallia fejeensis* (rabbit's foot)
 161. *Nephrolepis exaltata* (Boston)
 162. *Platynerium superbum* spp. (staghorn)
 163. *Rumohra adiantiformis* (leatherleaf)
 164. Any other container-grown ferns not listed

Section U
“Airborne Success”
Container-Grown Plants:
Hanging Plants

- Class
 165. Ferns
 166. Flowering
 167. Foliage
 168. Vines

Division II - Design Rules

1. Exhibitors use the NORTH or WEST Gates. Follow designated Flower Show Signs to the Miller-Murphy-Howard Building to unload. The NGC Exhibit Policies are printed in the *Handbook for Flower Shows*, Chapter 7, Pg 79, Exhibiting in the Design Division, NGC Policies and Guidelines.
2. Designs may be entered from 3:00 PM to 7:00 PM on Thursday, October 4, 2018, and on Friday, October 5, 2018, from 7:30 AM to 9:00 AM. All entries in the Design Division must be registered with the Entries Chairman.
3. After a reservation is accepted, if that individual is unable to exhibit, he/she must obtain a substitute and inform the design entries chairman prior to the show.
4. There will be four (4) exhibits in each class in Division II.
5. Exhibitors are limited to one entry in each class and may enter more than one class. The exhibitor is required to conform to the stated description and limitations of the Design Type if named in the class.
6. Each design must be the work of one exhibitor and may not come from previous flower shows.
7. Exhibitors must place a 3 x 5-inch card with each exhibit listing all plant material used in design. Plant material's scientific name is required. Cards of explanation are permitted and will be provided by the exhibitor.
8. Some plant material, fresh and/or dry must be used in every exhibit as per Section requirements.
9. A single flower or a container-grown plant is not a "design".
10. No artificial flowers, foliage, fruits or vegetables are permitted in the Design Division, or any other division of a Standard Flower Show. Artificial is defined as "imitation" or "copy", hand-crafted, manufactured to represent and/or appear as real, such as: silk, plastic, singing or speaking, motorized or metallic flora.
11. Manufactured items having a basic utilitarian use other than to simulate plant material are permitted. Acceptable examples are: dinnerware, cabbage-shaped soup tureen, apple-shaped plate, or floral motif napkin rings, etc.
12. Products manufactured from plant material whose natural state as plant material has been so altered as to be given new identity and a specific name, is permitted. Examples: paper, lumber, bowl, and basket.
13. Plant material that has been treated to alter its exterior appearance may be used only in its dried state; fresh plant material may never be treated.
14. Religious symbols used in design must be displayed in a respectful and non-offensive manner and in accordance with policies of local religious organizations.
15. The American flag and other national flags must be displayed in a respectful manner. In order not to offend, the American and other national flags may not be incorporated into any competitive designs, nor may they be used as underlays, swags, or the like.
16. All living members and taxidermal representations of the Animal Kingdom are disallowed in competitive designs.
17. The following are permitted in all design classes unless prohibited by the schedule, or specific requirements of a Design Top Award:
 - a. Accessories and featured objects.
 - b. Clipped, stripped, bent or otherwise manipulated fresh plant material.
 - c. A contrived flower if it is so constructed of plant material fresh and/or dried, must appear as an obvious fantasy flower and/or foliage.
 - d. Objects which add interest

when tastefully used, e.g., feathers, antlers, coral, horns, starfish, sponges, sea fans, shells, nests, manufactured or crafted simulations of birds, animals, etc. for toys or as decorative items.

e. All staging properties, such as panels, frames, pedestals, columns, boxes, cubes, etc. may be incorporated into designs.

f. Living plants with roots attached, e.g. moss, *Bromeliaceae*.

g. Native Plants not on the state conservation/native plant list, grown by exhibitor or obtained in a legal manner and so identified. Plants on the conservation list are not allowed.

18. Exhibits must be approved by the Design Division Consultant before the exhibitor leaves. Rules for Design Types, Advanced Design Types, Table Designs, and Table Appointments are printed in the *Handbook for Flower Shows*, Chapter 7.

19. Designs must be staged and ready for judging by 9:30 AM on October 5, 2018. Judging will begin at 10:00 AM.

20. Exhibitor may use self-contained lighting.

Considerations in Judging Designs

Designs for this Schedule are to be judged from directly in center-front and at least four feet from the exhibit. Small designs will be judged at eye level.

Judges are requested to review the red, yellow, and white winning exhibits to determine if any of them scored 90 or more and so indicate on the entry card.

An Accredited Judge is requested to sign and date all blue and 90+ entry cards and Top Award Rosettes.

Judging Qualities

1. Conformance (Hb 2017 edition Chapter 11, Pg 106)
2. Design (Hb 2017 edition Chapter 11, Pgs 106-107)
3. Selection of Components (Hb 2017 edition Chapter 11, Pgs 108-109)
4. Expression, (Hb 2017 edition Chapter 11, Pg 109)
5. Distinction (Hb 2017 edition Chapter 11, Pg 109)

All designs, including table designs, are judged by the scale of points found on The NGC Web site, effective January 1, 2016.

All designs are judged by the same scale of points:

| | |
|-----------------------------|----|
| Conformance | 14 |
| Design Type (if applicable) | 7 |
| Remaining Requirements | |
| Divided | 7 |
| Design | 48 |
| Selection of Components | 12 |
| Expression | 10 |
| Distinction | 16 |

| | |
|-------|-----|
| Total | 100 |
|-------|-----|

Division II DESIGN

“First Responders Make it Happen”

Unless otherwise noted the Show Committee furnishes tables, cubes and pedestals. Other staging properties such as background panels, frames, niches, risers, underlays, or other, (optional or required) are to be furnished by exhibitor.

SECTION A “Take Your Places”

Eligible for **Table Artistry Award**

Consultant: Barbara Jones 229-891-0445

GNF Awards: 1st 2nd 3rd HM
\$15 \$10 \$8 \$6

Class 1 “Together it Makes a Good Showing” Staged on a 30” black cube. This is an Exhibition Table Design not meant to be functional. (Hb 2017 edition, Chapter 7, Pg 76)

Class 2 “The Job is Better with Two” Functional table for two (2) staged on 35” round table, 30” high. Exhibitor furnishes table cloth that extends to the floor. (Hb 2017 edition, Chapter 7, Pg 76)

Class 3 “Everyone Counts” Tray for one. Staged on a tray that is placed on 24” black cube. Exhibitor furnishes tray. (Hb 2017 edition, Chapter 7, Pg 76)

SECTION B “Looking Good”

Eligible for **Designer’s Choice Award**

Consultant: Mary Tomlinson, 229-403-6046

GNF Awards: 1st 2nd 3rd HM
\$15 \$10 \$8 \$6

Class 4 “Making it Happen” Creative Line Design staged on a 40” high black pedestal with 20” square top. (Hb 2017 edition, Chapter 7, Pg 74)

Class 5 “Accomplishments as Usual” American Traditional Line Design staged on a 40” high black pedestal with 16” round top. (Hb 2017 edition, Chapter 7, Pg 71)

Class 6 “Looking Back at You” Reflective Design staged on a 40” high black pedestal with 18” round top. (Hb 2017 edition, Chapter 7, Pg 75)

SECTION C “Every Action Counts”

Petite Design not to exceed 12” in height, width, and depth.

Eligible for **Petite Award**

Consultant: Kay King, 478-394-0883

GNF Awards: 1st 2nd 3rd HM
\$15 \$10 \$8 \$6

Class 7 “Firefighters Bring it Down” Cascade Petite Design staged on 48” high black pedestal with 18” square top. (Hb 2017 edition, Chapter 7, Pg 73)

Class 8 “The Law Has One Goal” Featured Plant Material Petite Design staged on 48” high black pedestal with 18” square top. (Hb 2017 edition, Chapter 7, Pgs 73-74)

Class 9 “Military Has the Creative Job” Creative Line Mass Petite Design staged on 48” high black pedestal with 18” square top. (Hb 2017 edition, Chapter 7, Pgs 73-74)

Division III Education
“Getting Our Knowledge Out There”
Rules

1. Educational Exhibits may be the work of more than one individual unless a Student Judge or an Accredited Judge is seeking exhibiting credit for preparing an educational exhibit.
2. An exhibit must occupy a minimum of eighteen (18) square feet surface area.
3. Plant material is not required, although NGC encourages the use of plant material where appropriate.
4. No artificial plant material is permitted in an Educational Exhibit.
5. Advance registration is required with Educational Entries/ Consultants Chairmen before October 4, 2018.
6. The Scale of Points for Educational Exhibits is listed in Hb 2017 edition, Chapter 14.
7. Consultants are Marideane Maxwell, 229-436-6888 and Kathy Hicks, 229-854-3763.

SECTION A
“Our Survival”

Educational Exhibits: (Hb 2017 edition, Chapter 8)
Eligible for ***Educational Award***
\$50 Award to each Exhibit

Exhibit 1 “Protecting Our Country”
(Military involvement in our lives)

Exhibit 2 “The Law of the Land”
(Law enforcement in our lives)

Exhibit 3 “Disasters that Come”
(Firefighters involvement in our lives)

Division IV Youth
“Our Future Coming into the Picture”
Rules

1. The NGC Exhibit Policies are printed in the Handbook for Flower Shows, Chapter 9, “Exhibiting in the Youth and Sponsored Groups Division, NGC Policies and Guidelines”

2. Youth Exhibits are evaluated using the Horticulture, Design, and Education Scale of Points.

Eligible for Youth Award in each age category

Consultant: Mary Phillips, 229-377-9234, Chairman

Consultant: Beth Miller, 229-873-2484

Consultant: Brenda Wilson, 478-788-8974

GNF Awards: 1st 2nd 3rd
 \$4 \$3 \$2

SECTION A
Horticulture
“Future Growing”

Staged on tables furnished by Show Committee.

Class 1 “Growing into My Role”
Fruits, Nuts, and Vegetables

- a. Juniors
- b. Intermediates
- c. High School

Class 4 “Blooms that Count”
Flowering Cut Specimens

- a. Juniors
- b. Intermediates
- c. High School

Class 2 “Future is Contained”
Flowering Container-Grown Plants

- a. Juniors
- b. Intermediates
- c. High School

Class 5 “Green Growing”
Foliage Cut Specimens

- a. Juniors
- b. Intermediates
- c. High School

Class 3 “Basics First”
Foliage Container-Grown Plants

- a. Juniors
- b. Intermediates
- c. High School

Class 6 “Combined Efforts”
Combination Plantings (3 or more plants)

- a. Juniors
- b. Intermediates
- c. High School

**SECTION B Designs
“Creativity Maturing”**

GNF Awards: 1st 2nd 3rd HM
\$15 \$10 \$8 \$6

Class 7 “Work in Progress” Age preschool - 7 years Creative Design with a maximum height of 12” to be staged in a 10” x 10” area and placed on a step.

Class 8 “Seeing My Way” Age 8-12 years Creative Design with a maximum height of 12” to be staged in a 10” x 10” area and placed on a step.

Class 9 “I am Almost Ready” Age 13-18 years Creative Design with a maximum height of 12” to be staged in a 10” x 10” area and placed on a step.

**SECTION C Educational Exhibits
“Learning for the Future”**

Eligible for **Youth Award in each age category.**

\$25 award to each exhibit (furnished by the Flower Show Committee)

Each entry is staged on a card table that is skirted and covered in white furnished by Show Committee.

Consultant: Mary Phillips, 229-377-9245

Class 10 “Firefighters of the Future” Age preschool - 7 years

Class 11 “Law Officers of the Future” Age 8-12 years

Class 12 “Military Member of the Future” Age 13-18 years

State Conservation List

Georgia Department of Natural Resources' List of Endangered, Rare, & Threatened Plants: as of December 2014

| Scientific Name | Common Name | State Status |
|--|-------------------------------|--------------|
| 1. <i>Acmispon helleri</i> | Carolina Trefoil | Endangered |
| 2. <i>Allium speculae</i> | Flatrock Onion | Threatened |
| 3. <i>Alnus maritima</i> ssp. <i>georgiensis</i> | Georgia Alder | Threatened |
| 4. <i>Amorpha georgiana</i> | Georgia Indigo Bush | Endangered |
| 5. <i>Amphianthus pusillus</i> : | Pool Sprite | Threatened |
| 6. <i>Arabis georgiana</i> | Georgia Rockcress | Threatened |
| 7. <i>Arnoglossum diversifolium</i> | Variable-leaf Indian-plantain | Threatened |
| 8. <i>Asclepias purpurascens</i> | Purple Milkweed | Rare |
| 9. <i>Asplenium heteroresiliens</i> | Marl Spleenwort | Threatened |
| 10. <i>Astragalus michauxii</i> | Sandhill Milk-vetch | Threatened |
| 11. <i>Aureolaria patula</i> | Spreading Yellow Foxglove | Threatened |
| 12. <i>Balduina atropurpurea</i> | Purple Honeycomb Head | Rare |
| 13. <i>Baptisia arachnifera</i> | Hairy Rattleweed | Endangered |
| 14. <i>Berberis canadensis</i> | American Barberry | Endangered |
| 15. <i>Brickellia cordifolia</i> | Heartleaf Brickellia | Threatened |
| 16. <i>Calamagrostis porteri</i> | Porter's Reed-grass | Rare |
| 17. <i>Calamintha ashei</i> | Ohoopce Wild Basil | Threatened |
| 18. <i>Carex baltzellii</i> | Baltzell's Sedge | Endangered |
| 19. <i>Carex biltmoreana</i> | Granite Dome Sedge | Threatened |
| 20. <i>Carex dasycarpa</i> | Velvet Sedge | Rare |
| 21. <i>Carex misera</i> | Wretched Sedge | Threatened |
| 22. <i>Carex radfordii</i> | Radford's Sedge | Threatened |
| 23. <i>Carya myristiciformis</i> | Nutmeg Hickory | Rare |
| 24. <i>Ceratiola ericoides</i> | Sandhill Rosemary | Threatened |
| 25. <i>Chamaecyparis thyoides</i> | Atlantic White-cedar | Rare |
| 26. <i>Chelone cuthbertii</i> | Cuthbert's Turtlehead | Threatened |
| 27. <i>Clematis fremontii</i> | Fremont's Leatherflower | Endangered |
| 28. <i>Clematis socialis</i> | Alabama Leatherflower | Endangered |
| 29. <i>Convallaria majuscula</i> | American Lily-of-the-valley | Rare |
| 30. <i>Coreopsis integrifolia</i> | Floodplain Tickseed | Threatened |
| 31. <i>Coreopsis latifolia</i> | Broadleaf Tickseed | Rare |
| 32. <i>Crataegus triflora</i> | Three-flowered Hawthorn | Threatened |
| 33. <i>Croomia pauciflora</i> | Croomia | Threatened |
| 34. <i>Cuscuta harperi</i> | Harper's Dodder | Endangered |
| 35. <i>Cymophyllus fraserianus</i> | Fraser's Sedge | Threatened |
| 36. <i>Cypripedium acaule</i> | Pink Ladyslipper | Unusual |
| 37. <i>Cypripedium kentuckyense</i> | Kentucky Ladyslipper | Endangered |
| 38. <i>Cypripedium parviflorum</i> | Yellow Ladyslipper | Rare |
| 39. <i>Desmodium ochroleucum</i> | Cream-flowered Tick-trefoil | Threatened |
| 40. <i>Dicerandra radfordiana</i> | Radford's Mint | Endangered |
| 41. <i>Dichanthelium hirstii</i> | Hirst's Witch Grass | Endangered |

| Scientific Name | Common Name | State Status |
|--|---------------------------|--------------|
| 42. <i>Draba aprica</i> | Sun-loving Draba | Endangered |
| 43. <i>Echinacea laevigata</i> | Smooth Purple Coneflower | Endangered |
| 44. <i>Elliottia racemosa</i> | Georgia Plume | Threatened |
| 45. <i>Epidendrum magnoliae</i> | Greenfly Orchid | Unusual |
| 46. <i>Eriocaulon koernickianum</i> | Dwarf Hatpins | Endangered |
| 47. <i>Evolvulus sericeus</i> | Silky Morning-glory | Endangered |
| 48. <i>Fimbristylis perpusilla</i> | Harper's Fimbry | Endangered |
| 49. <i>Forestiera godfreyi</i> | Godfrey's Wild Privet | Endangered |
| 50. <i>Forestiera segregata</i> | Florida Wild Privet | Rare |
| 51. <i>Fothergilla gardenii</i> | Dwarf Witch-alder | Threatened |
| 52. <i>Fothergilla major</i> | Mountain Witch-alder | Threatened |
| 53. <i>Gentianopsis crinita</i> | Fringed Gentian | Threatened |
| 54. <i>Gymnoderma lineare</i> | Rock Gnome Lichen | Endangered |
| 55. <i>Habenaria quinqueseta</i> | Michaux's Spider Orchid | Threatened |
| 56. <i>Hartwrightia floridana</i> | Hartwrightia | Threatened |
| 57. <i>Helianthus verticillatus</i> | Whorled Sunflower | Endangered |
| 58. <i>Helonias bullata</i> | Swamp Pink | Threatened |
| 59. <i>Hydrastis canadensis</i> | Goldenseal | Endangered |
| 60. <i>Hymenocallis coronaria</i> | Shoals Spiderlily | Threatened |
| 61. <i>Illicium floridanum</i> | Florida Anise | Endangered |
| 62. <i>Isoetes melanospora</i> | Black-spored Quillwort | Endangered |
| 63. <i>Isoetes tegetiformans</i> | Mat-forming Quillwort | Endangered |
| 64. <i>Isotria medeoloides</i> | Small Whorled Pogonia | Threatened |
| 65. <i>Jamesianthus alabamensis</i> | Alabama Warbonnet | Endangered |
| 66. <i>Jeffersonia diphylla</i> | Twinleaf | Rare |
| 67. <i>Kalmia carolina</i> | Carolina Bog Laurel | Threatened |
| 68. <i>Leavenworthia exigua</i> var. <i>exigua</i> | Least Gladecress | Threatened |
| 69. <i>Leiophyllum buxifolium</i> | Sand-Myrtle | Threatened |
| 70. <i>Leitneria floridana</i> | Corkwood | Threatened |
| 71. <i>Lilium michiganense</i> | Michigan Lily | Rare |
| 72. <i>Lilium philadelphicum</i> | Wood Lily | Endangered |
| 73. <i>Lindera melissifolia</i> | Pond Spicebush | Endangered |
| 74. <i>Litsea aestivalis</i> | Pond Spice | Rare |
| 75. <i>Lotus helleri</i> | Carolina Trefoil | Endangered |
| 76. <i>Lysimachia fraseri</i> | Fraser's Loosestrife | Rare |
| 77. <i>Lythrum curtissii</i> | Curtiss' Loosestrife | Threatened |
| 78. <i>Macbridea caroliniana</i> | Carolina Bogmint | Rare |
| 79. <i>Macranthera flammea</i> | Hummingbird Flower | Threatened |
| 80. <i>Marshallia mohrii</i> | Coosa Barbara Buttons | Threatened |
| 81. <i>Marshallia ramosa</i> | Pineland Barbara Buttons | Rare |
| 82. <i>Matelea alabamensis</i> | Alabama Milkvine | Threatened |
| 83. <i>Matelea pubiflora</i> | Trailing Milkvine | Rare |
| 84. <i>Megaceros aenigmaticus</i> | Bighorn Hornwort | Threatened |
| 85. <i>Monotropsis odorata</i> | Sweet Pinesap | Threatened |
| 86. <i>Morella inodora</i> | Odorless Bayberry | Threatened |
| 87. <i>Myriophyllum laxum</i> | Lax Water-milfoil | Rare |
| 88. <i>Najas filifolia</i> | Narrowleaf Naiad | Endangered |
| 89. <i>Nestronia umbellula</i> | Indian Olive | Rare |
| 90. <i>Neviusia alabamensis</i> | Alabama Snow-wreath | Threatened |
| 91. <i>Oxypolis canbyi</i> | Canby Dropwort | Endangered |
| 92. <i>Pachysandra procumbens</i> | Allegheny-spurge | Rare |
| 93. <i>Packeria millefolia</i> | Blue Ridge Golden Ragwort | Threatened |

| Scientific Name | Common Name | State Status |

| 94. <i>Paronychia virginica</i> | Yellow Nailwort | Endangered |
| 95. <i>Pedicularis lanceolata</i> | Swamp Lousewort | Endangered |
| 96. <i>Pedimelum piedmontanum</i> | Dixie Mountain Breadroot | Endangered |
| 97. <i>Penstemon dissectus</i> | Cutleaf Beardtongue | Rare |
| 98. <i>Pinguicula primuliflora</i> | Clearwater Butterwort | Threatened |
| 99. <i>Pityopsis pinifolia</i> | Sandhill Golden-aster | Rare |
| 100. <i>Platanthera integrilabia</i> | Monkeyface Orchid | Threatened |
| 101. <i>Prenanthes barbata</i> | Barbed Rattlesnake Root | Rare |
| 102. <i>Pteroglossaspis ecristata</i> | Crestless Plume Orchid | Threatened |
| 103. <i>Ptilimnium nodosum</i> | Harperella | Endangered |
| 104. <i>Quercus oglethorpensis</i> | Oglethorpe Oak | Threatened |
| 105. <i>Rhododendron prunifolium</i> | Plumleaf Azalea | Threatened |
| 106. <i>Rhus michauxii</i> | Dwarf Sumac | Endangered |
| 107. <i>Rhynchospora solitaria</i> | Solitary Beakrush | Endangered |
| 108. <i>Rudbeckia auriculata</i> | Swamp Black-eyed Susan | Endangered |
| 109. <i>Rudbeckia heliopsisidis</i> | Little River Black-eyed Susan | Threatened |
| 110. <i>Sabatia capitata</i> | Cumberland Rose Gentian | Rare |
| 111. <i>Sageretia minutiflora</i> | Climbing Buckthorn | Threatened |
| 112. <i>Sagittaria secundifolia</i> | Kral's Water-plantain | Threatened |
| 113. <i>Salix floridana</i> | Florida Willow | Endangered |
| 114. <i>Sanguisorba canadensis</i> | Canada Burnet | Threatened |
| 115. <i>Sapindus marginatus</i> | Soapberry | Rare |
| 116. <i>Sarracenia flava</i> | Yellow Flytrap | Unusual |
| 117. <i>Sarracenia leucophylla</i> | Whitetop Pitcherplant | Endangered |
| 118. <i>Sarracenia minor</i> | Hooded Pitcherplant | Unusual |
| 119. <i>Sarracenia minor var. minor</i> | Hooded Pitcherplant | Unusual |
| 120. <i>Sarracenia minor var. okefenokeense</i> | Okefenokee Giant | Unusual |
| 121. <i>Sarracenia oreophila</i> | Green Pitcherplant | Endangered |
| 122. <i>Sarracenia psittacina</i> | Parrot Pitcherplant | Threatened |
| 123. <i>Sarracenia purpurea var. burkii</i> | Rose Pitcherplant | Endangered |
| 124. <i>Sarracenia purpurea var. montana</i> | Mountain Purple Pitcherplant | Endangered |
| 125. <i>Sarracenia purpurea var. purpurea</i> | Southern Purple Pitcherplant | Endangered |
| 126. <i>Sarracenia rubra</i> | Sweet Pitcherplant | Threatened |
| 127. <i>Schisandra glabra</i> | Bay Star-vine | Threatened |
| 128. <i>Schwalbea americana</i> | Chaffseed | Endangered |
| 129. <i>Scutellaria montana</i> | Large-flowered Skullcap | Threatened |
| 130. <i>Scutellaria ocmulgee</i> | Ocmulgee Skullcap | Threatened |
| 131. <i>Sedum nevii</i> | Nevius Stonecrop | Threatened |
| 132. <i>Sedum pusillum</i> | Granite Stonecrop | Threatened |
| 133. <i>Shortia galacifolia</i> | Oconee Bells | Endangered |
| 134. <i>Sibbaldiopsis tridentata</i> | Mountain Cinquefoil | Endangered |
| 135. <i>Sideroxylon macrocarpum</i> | Ohoopee Bumelia | Rare |
| 136. <i>Sideroxylon thornei</i> | Swamp Buckthorn | Rare |
| 137. <i>Silene ovata</i> | Ovate Catchfly | Rare |
| 138. <i>Silene polypetala</i> | Fringed Campion | Endangered |
| 139. <i>Silene regia</i> | Royal Catchfly | Endangered |
| 140. <i>Solidago simulans</i> | Cliffside Goldenrod | Endangered |
| 141. <i>Spiraea virginiana</i> | Virginia Spirea | Threatened |
| 142. <i>Spiranthes magnicamporum</i> | Great Plains Ladies-tresses | Endangered |
| 143. <i>Stewartia malacodendron</i> | Silky Camellia | Rare |
| 144. <i>Streptopus lanceolatus var. lanceolatus</i> | Rosy Twisted Stalk | Threatened |
| 145. <i>Stylisma pickeringii var. pickeringii</i> | Pickering's Morning-glory | Threatened |

| Scientific Name | Common Name | State Status |
