The late Elinor Crane of Atlanta was an established artist and collector of porcelain art from around the world. In 1998 she donated 20 pieces of her collection to the Georgia National Fair for a permanent display, along with a 10-year endowment that would enable the purchase of additional pieces crafted by Georgia artists who enter the porcelain art competitions at the Fair. Upon hearing that the fund was about to be depleted, Denise and John Reidelbach secured an endowment that will safeguard the memorial award to the year 2019. Thank you, John and Denise!
