SKILL LEVEL AND JUDGING GUIDELINES

Judges will award premiums only if articles are deemed worthy of merit.

Articles without competition will be judged on their own merit.

Judges may reclassify if an item is entered in the wrong category.

Judges may subclass.

Management reserves the right to move work to a higher skill level if merited.

The judges' decisions are final.

Fiber pieces will be judged for:

technique - skill shown in the pieces and quality of work

artistry - design choices, creativity

Entries can include a card - up to 3"x5" - that notes any special information that the judges can use: dyes used, the amount of processing the entrant did personally, unique design, etc.

APPRENTICE

An apprentice is a fiber artist who has worked in the medium for a short time and still works at the beginner level. An exhibitor may enter as an apprentice for seven years. An apprentice may move up to Journeyman at any time on his/her own.

JOURNEYMAN

A more experienced fiber artist should compete at this skill level. Any work submitted at this skill level using original designs will receive favorable judging. A person may move up to Master on his/her own at any time.

MASTER

This skill level is for the experienced amateur fiber artist and the professional who teaches or sells his/her work. All finished work must be original or show master level proficiency.
