Clarity of recipe.....25%  
Presentation.....25%

In keeping with the Georgia National Fair theme of Family · Traditions · Memories, we are continuing the Traditional Foods Contest. The contest will be based on traditional recipes from regions around the world. For the 30th annual Georgia National Fair, the theme will be “The Southern Casserole”.

Your casserole can be a main dish or side dish. It must be cooked before arrival, must be a traditional southern casserole and must serve at least four people.

For this contest, participants will be asked to create a display which includes the serving dish and one plated serving. Judges will sample from the serving dish without disturbing the plate. Contestants will provide any dishes, place settings, etc., and presentation must represent the featured theme. Contestant must also provide typed information about the origin of the dish.

**Contestants will have 15 minutes to complete their presentation and leave the judging area. Judging will begin at 4:45 and will not be delayed for incomplete presentations.**
