

Welcome, Exhibitors!

The Georgia National Fair extends a welcome to all exhibitors who make the Fair what it is, a great place for youth and agribusiness to show and compete. You also provide educational opportunities for the general public to learn more about agriculture and where their food comes from. Thank you for being a part of the whole picture.

The Fair would not be possible without all the assistance provided by superintendents and other show personnel, many of whom are volunteers. They make everything run smoothly so that the exhibitors have a good experience while at the Fairgrounds. Thank you for all your hard work!

February 21-25, 2024
February 19-23, 2025

Georgia National Fairgrounds & Agricenter

Greetings

The 29th Georgia National Fair is setting up to be one of the most excited and fun packed. In the livestock barns, we are very excited to be able to offer increased premiums and prizes to our exhibitors because of our corporate partners that have placed value in the product that our 4H and FFA members are showcasing at the fair. We are proud to partner with companies like Georgia farm Bureau, Woody Folsom, and Blue Ribbon Show Supply to award our kids.

We have studied shows from all over the country and are trying to bring the best of the new trends in the livestock industry to Perry, GA. We hope that you continue to enjoy the changes that you see such as faster unloading lines, updated backdrops, the 4H and FFA shirts, and industry relevant rule changes. The livestock staff at the Georgia National Fair is excited to continue to uphold the missions set forth of highlighting the agricultural achievements of Georgia's youth. It is a privilege for us to work with the awesome 4H and FFA leaders across the state and we appreciate the investment that they put into the youth programs at the Georgia National Fair.

Once again, I find myself in awe as I watch you spend so many hours preparing yourself and your projects to exhibit them at the fair. Please know that your participation in the lamb, goat, cattle, swine, rabbit, and equine arena at the fair is what makes this place special. We give a real agricultural life experience that, hopefully, will inspire our fair patrons to think positively about this industry we all love. I challenge you to get with your chapters and put forth the very best effort to display the best of Georgia Agriculture to our fairgoers. Sign up for herdsman, talk to a passerby about your project, and work your animals at home to be prepared for the show ring. You never know the impact you are making on someone as the watch you work with your project. I am excited to see you rolling into Perry on Champion Drive!

Excited for October,

Philip Gentry
Agriculture and Youth Director
