

# Welcome, Exhibitors!

The Georgia National Fair extends a welcome to all exhibitors who make the Fair what it is, a great place for youth and agribusiness to show and compete. You also provide educational opportunities for the general public to learn more about agriculture and where their food comes from. Thank you for being a part of the whole picture.

The Fair would not be possible without all the assistance provided by superintendents and other show personnel, many of whom are volunteers. They make everything run smoothly so that the exhibitors have a good experience while at the Fairgrounds. Thank you for all your hard work!

## Georgia National Fair Dates

October 4-14, 2018  
October 3-13, 2019  
October 8-18, 2020  
October 7-17, 2021  
October 6-16, 2022  
October 5-15, 2023  
October 3-13, 2024  
October 2-12, 2025

February 22-26, 2023  
February 21-25, 2024  
February 19-23, 2025

# Georgia National Fairgrounds & Agricenter

Greetings:

The 30<sup>th</sup> year of the Georgia National Fair is shaping up to be the best that we will experience to date. The smell of the concessionaires and the lights of the rides are always present here in Perry and on our minds as we work to bring the best youth programming in the country, to the most outstanding student exhibitors in the Nation. The Georgia National Fairgrounds & Agricenter was built for the youth of Georgia to have a world class event center that is safe for kids and their projects, which sets a grand stage for Georgia’s youth to show the world just how bright the future of agriculture truly can be.

For 30 years, we have welcomed students with livestock projects to come and compete at the highest level for almost 12 Million Fair visitors that enjoy the livestock at the fair. We have invited patrons to attend, enjoy and learn from the best students in the country. 2019 is a historic year for the fair and it has been fun to reflect on the past as we make adjustments to make this the best fair that we have produced. Along with the families that show livestock, we would like to thank sponsors like; Georgia Farm Bureau, Woody Folsom Trailers, Blue Ribbon Show Supply, Weaver Leather and Twisted Fitterz for investing in our young people.

Once again, I find myself in awe as I watch you spend so many hours preparing yourself and your projects to exhibit them at the Fair. Please know that your participation in the lamb, goat, cattle, swine, rabbit, and equine arena is what makes this place so special. We are able to showcase a true agricultural life experience that, hopefully, will inspire our fair patrons to think positively about this industry we all love. I challenge you to get with your chapters and put forth the very best effort to display the best of Georgia Agriculture to our fairgoers. Sign up for herdsman, talk to a passerby about your project, and work your animals at home to be prepared for the show ring. You never know the impact you are making on someone as they watch you work with your project. I am excited to see you rolling into Perry, on Champion Drive!

Excited for October,

Philip Gentry  
Agriculture and Youth Director
