

2019 Boat Race Rules

Limited to 8 Entries – First come first serve

1. You may pull your boat with any vehicle, that is safe to operate.
2. A driver and co-pilot are the only people allowed in the vehicle.
3. Seat belts and helmets are mandatory and must be worn at all times throughout the event.
4. Window nets on both driver door and passenger doors are required.
5. Your car number that is clearly visible must be painted on both sides of your vehicle.
6. You may attach your boat to the vehicle with rope or cable.
7. Boats may have the rope/cable attached on the front cleat or through the front of the hull.
8. You may use a tire in between the vehicle and boat.
9. All boats must have all engines, seats, glass, wiring, batteries, etc. removed. Bare hull only.
10. Boats may be painted up like a derby car or to match the towing vehicle.
11. You may use blow up animals as decoration on the boat if they are securely attached.
12. You must stay within the designated race surface to continue to be scored throughout the race.
13. The winner and places will be determined by the judges.
14. Judges will be looking at remaining amount of boat left at the end of the race and amount of hits to the other competitors' boats.
15. The object is to destroy the other boat hulls. Not hit the tow vehicles. You will only be given one warning for deliberately hitting the other vehicles.
16. If you lose your boat hull before the end of the race you may continue to run and destroy the other boat hulls.
