

January 21, 2021

Dear Still Exhibitors:

Wow, hard to believe that we have been in a pandemic state for almost a year now! While we had hoped we would be far beyond this now, we unfortunately are not. In an effort to be transparent, we still don't know what the 2021 Glenn County Fair will look like. We are working closely with the Glenn County Health Department and are planning on doing the most we possibly can in May. We have several modified plans coming together to include a number of different aspects of the Fair. We are going live with our still entries and book so we may be prepared for whatever will come in May. We will, at minimum, display what entries we are able to so we may still celebrate the many talents of our Glenn County residents!

I encourage you all to enter, the Glenn County Fair is about celebrating hard work and recognizing talents and we intend to do that to the best of our ability. Should a Division or Class with entry fees be cancelled, those fees will be refunded in full. All modifications will be communicated to the community through the use of local newspapers, the Fair's website and social media. Please connect with us to stay up to date with all things happening at the Glenn County Fairgrounds.

Sincerely,

Miki Martin  
CEO, Glenn County Fairgrounds
