

**DEPARTMENT V  
MISCELLANEOUS ANIMAL CLASSES**

**ANIMALS OF THE WORLD DISPLAY**

Superintendent – Larry Gaub

Animals of the World Exhibitors will care for and monitor an educational animal exhibit. Animals will be on display for observation and education during the entire duration of the fair.

It is encouraged to have a team of two exhibitors to provide for busy times and breaks. Exhibitors are responsible for answering questions from the public and ensuring animals are comfortable and safe. The major feeding and watering will be the responsibility of the owner.

The teams of two exhibitors will man the exhibits beginning at 10 a.m. until 9 p.m. daily, with periodic breaks. The exhibitors will be awarded premiums and ribbons for providing education, demonstrations and information. Animals of the World is an educational exhibit therefore animals are not judged.

Premium Awards:

**Large Animals** on exhibit during the entire fair will receive \$40.00 per animal, limited to 3 animals of the same species.

**Medium Animals** on exhibit during the entire fair will receive \$30.00 per animal, limited to 3 animals of the same species.

**Small Animals** on exhibit during the entire fair will receive \$20.00 per animal, limited to 3 animals of the same species.

Please contact Larry Gaub at 360-482-3821 if you are interested and desire more information on becoming a participant in the Animals of the World Barn.
