### ***How Grants Are Funded and Governing State Law:***

Under State law (RCW 67.28) Grays Harbor County receives funds from taxes imposed on lodging facilities. These funds can be retained; utilized directly by the County for Tourism related marketing, promotions and the operation of tourism generating facilities. Or, under certain guidelines, allocated to projects and activities established by an eligible entity, under State law. Tourism promotion is defined in the RCW as "...activities and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; operating tourism related facilities; and funding marketing of special events and festivals designed to attract tourists."

RCW 67.28.1815 Revenue--Special fund--Uses for tourism promotion and tourism facility acquisition and operation. All revenue from taxes imposed under this chapter shall be credited to a special fund in the treasury of the municipality imposing such tax and used solely for the purpose of paying all or any part of the cost of tourism promotion, acquisition of tourism-related facilities, or operation of tourism-related facilities. Municipalities may, under chapter 39.34 RCW, agree to the utilization of revenue from taxes imposed under this chapter for the purposes of funding a multi-jurisdictional tourism-related facility.

### ***Grays Harbor Tourism Funding Criteria:***

The evaluation criteria used by the Grays Harbor Lodging Tax Advisory Committee in this grant program is based on State statutes, recommendations of the State Auditor's Office and prioritizations established by the Grays Harbor LTAC and Board of County Commissioners to protect the long term stability of the Tourism Fund, while best promoting Grays Harbor's tourism assets and growing the tourism industry in our community. "Tourism Hospitality and Special Project" grant applications will be accepted from qualifying, tax exempt, non-profit entities organizing tourism based activities or projects within Grays Harbor County, **except those services and special projects located in municipalities that are allowed, by law, to collect and manage 3% lodging tax revenues generated within their own corporate limits.** It is preferred that grant funding be awarded to help promote activities and projects from October thru May, during shoulder and off-seasons, to generate overnight stays (heads in beds) and increase tourism activity within Grays Harbor County. However, this does not exclude new or existing activities and projects that take place during, or boost tourism during peak season. Priority consideration may be given to shoulder and off season activities and projects.

(If you intend on including such costs within your grant application, please contact Grays Harbor Tourism staff to insure that your intended use of such funds will qualify.)

**Ineligible Expenditures for Grant Program:**

- 1) Administrative costs. Capital and general organizational operating costs not directly related to the services or project.
- 2) Items for resale.

All eligible applications are reviewed by the Grays Harbor County Lodging Tax Advisory Committee (LTAC.) The LTAC is charged with providing recommendations to the Grays Harbor County Commissioners. Applicants will be informed by Grays Harbor Tourism staff about the status and decision regarding their requests.

There will be a maximum amount of up to \$100,000.00 available, in the combined Festival and Event and Tourism Hospitality Projects grant category, upon Board of County Commissioner approval of the funding, within the annual County budget process. Applicants may request up to that amount, but may be offered an award less than the amount requested. Preference may be given to events that have secured matching funds from other donors/organizations. Preference may also be given to events funded three years or less by this grant program. However, there will not be an automatic, reduced cap as to the funding amount for events applying in their fourth year or beyond. The maximum grant allocation for tourism hospitality services and special projects is \$20,000.00.
