— SPONSORSHIP INFORMATION —

THE GREELEY STAMPEDE IS POSTPONED UNTIL 2021, BUT THE TRADITIONS CONTINUE

Even though this year's Greeley Stampede is postponed to 2021 and the summer events have been cancelled, we are working on continuing two community traditions—fireworks & rodeo.

One of the missions of the Greeley Stampede is to celebrate our independence. There is no better way to do this as a community than the annual fireworks show. The Greeley Stampede will partner with local businesses to continue to provide our community with Northern Colorado's largest display on Saturday, July 4, 2020. Now more than ever, the community needs this family tradition and opportunity to celebrate our independence and life. For this occasion, we have set a goal to increase the investment in fireworks for a larger, more patriotic fireworks display.

Rodeo and the western lifestyle has been the backbone of our event since the first Spud Rodeo in 1922. In partnership with the PRCA to continue the Greeley rodeo tradition, the Greeley Stampede is planning to produce three (3) virtual Spud Rodeo performances in September 2020 to celebrate our roots and the sport. Due to projected COVID-19 limitations on gathering sizes, these virtual rodeos will be nationally broadcasted through the Cowboy Channel network. We had hopes of continuing the July rodeo tradition, but now feel that September may provide a better opportunity to include more community involvement.

We invite you to be a part of these two historic events to help continue our important community traditions.

Sincerely,

2020 Greeley Stampede Committee: Chad Sanger, Trent Johnson, Jesse Leos, Julie Jensen, Mic Harvey, Shawn Mills, Kent Heckel, Jeff Reck, Todd Stephens, Dan Dennie and Jacki Reider
