On behalf of the Extraco Events Center welcome to the 2020 Heart O' Texas Livestock Show. We are looking forward to this year's events. We are also very excited about our new EXPO Center, "The BASE" which will open in 2021. If you were here last year, I am sure you noticed the changes due to the ongoing new construction happening at our facility. The construction will be ongoing again this year. But, due to our hard working, dedicated staff, management team, and volunteers we pledge to do our best to make your experience a good one. We will continue this year with our goal of "Raising the Standard" to make your visit enjoyable. We thank you in advance for your patience during this process. If you are new to our facility this year, we welcome you and look forward to meeting you.

The COVID-19 Pandemic has taken a toll on all of us, both socially and economically. Your health and safety are our top priority. With that in mind, we have implemented a few changes and guidelines this year which will be new, with your health and safety in mind.

The Heart O' Texas Livestock Show will continue to be one of the premier events in Central Texas. We are proud of the fact that we presented over \$250,000 in scholarships in 2019 and commit to you to do our best to exceed that number in 2020.

We hope you can find the time in your busy schedules to visit the rodeo and the other festivities on the grounds during your visit.

Good luck at the 2020 Heart O' Texas Livestock Show.

Sincerely,

Mike Lewis

23. **Time of Judging:** The Livestock Judging Program as published in the Livestock Exhibitor Catalog will be followed as closely as possible. Exhibitors should ascertain at what time the exhibits will be judged. Any exhibit not presented promptly on scheduled time will be ruled out and barred from competition in the class called. No complaint or protest on the ground that judges overlooked exhibits will be considered.

24. **Unworthy Exhibits:** Judges must not award a prize to an unworthy exhibit. It is the intention of HOT Livestock Show that no premium or distinction of any kind shall be given to any animal or article that is not deserving. Judges are also requested to discriminate against animals upon which a surgical operation has been performed to improve their "show" appearance. These rules must be strictly adhered to, whether there is a competition or not.

25. International Association of Fairs & Events (IAFE) National Code of Show Ring Ethics:

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structure classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethic demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- a. All exhibitors must present, upon request of the fair and livestock show officials, proof of ownership, length of ownership and age of all animal entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
- b. Owners, exhibitors, fitters, trainers or absolutely responsible persons shall provide animal health certificate from licensed veterinarians upon request by fair or livestock show officials.
- c. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
- d. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for Show Management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates in the animals entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statues, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with the federal, state and provincial statues, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of the saliva, urine, blood or other sample taken from the livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer, transfer to the laboratory and analysis of the sample are correct and accurate of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medication for the sole purpose of protecting the health of the animal shall be administered by a licensed vet.

- e. Any surgical procedure or injection of any foreign substance or drug or the external application of a substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, conformation or appearance, except the external applications of substances to the hoofs or horns of animal which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- f. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance or other similar practices are not acceptable and are prohibited.

- g. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives or show officials before, during or after the competitive event is prohibited. In furtherance of their official duty, all judges, fair and livestock show management or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- h. No owner, exhibitor, fitter, trainer or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute to cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- i. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer or participant whether or not he or she was actually instrumental in or had actual knowledge of treatment of the animal in contravention of this code of ethics.
- j. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the IAFE, including Fairs and Expositions and any special notices to members.
- k. The act of entering of an animal in a fair or livestock show is giving of verification by the owner, exhibitor, fitter, trainer or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

They do not represent any club, county, team, or individual. The WT&SC, via the Shoot Coordinator, will be responsible for conducting any and all aspects of the event pertaining to "shooting" including, but not limited to: squadding,

scoring, posting of scores, determination and conducting shoot-offs, determination of winners and rules interpretation.

Appeals: A shooter may appeal a dead/lost ruling on the field if he/she feels a referee has missed a call. Once the shooter has changed posts, such right of appeal is lost. The referee may seek assistance from the official scorer or may poll the squad at his or her discretion. The decision of the referee in regard to dead or lost targets on the field is final and not subject to further appeal. A parent or coach's score is not an official score and will not be consulted.

Protest: Shooters may only protest any injustice, violation of the rules, or other circumstances that may have resulted in placing them at a disadvantage relative to other shooters. Such conditions must be reported to the field referee immediately. If satisfaction is not obtained, the situation should be reported immediately to the Shoot Coordinator or Chief Referee. If resolution is not reached at this point, the shooter only has the right to present a written protest with a \$20 protest fee to the Chief Referee or Shoot Coordinator within one (1) hour of the time their squad has finished or score was posted. The Protest Jury will investigate and reach final resolution of the matter as soon as possible considering all circumstances. Results of all protests are final and will be reported to the shooter. The names of the Chief Referee, Shoot Coordinator and Protest Jury members will be posted at the shoot.

Field and Range Boundaries: For multiple reasons, control of traffic on and around all fields and ranges is essential. Since coaching is not permitted on the ranges, there is no reason for a parent or coach to be on the ranges unless invited by the Range Officers. The field boundary is behind the gun rack/bench. Please respect these boundaries and the directions of officials. Failure to do so or argument with officials is considered unsportsmanlike conduct and will result in appropriate actions, up to removal from the event, range, area, or grounds.

Disruption: Parents, coaches or other individuals should remain positive and supportive, being careful not to disrupt or exhibit behaviors deemed detrimental to shooters or the operation of the match. Sanctions ranging from a warning to ejection from the grounds or disqualification of shooters may be imposed for interference with the operation of the match or disruption of the events on a firing line or field.

Coaching: Coaching during competition will not be permitted while participants are on the firing line. Coaching includes any communication between the coach, parent or other spectator and the shooter; verbal or non-verbal. The shooter may request assistance from a Range Officer and the Range Officer may assign an assistant.

Alcohol Policy: No shooting allowed following the consumption of alcohol. No alcohol is allowed on shooting ranges by participants or spectators. Consumption, use and possession of alcohol by persons under the age of 21 is prohibited by law and is not permitted anywhere on the grounds at any time.

Drug Policy: No shooting is allowed while under the influence of any drug or prescription medications that affects judgment and conduct to a degree that a participant is unsafe.

Tobacco Policy: No smoking is permitted on or near the firing lines or in any area where it would be considered inappropriate or in a situation where the smoke constitutes interference to shooters. Smoking, use and possession of tobacco products (including smokeless) by minors is prohibited by law and is not permitted anywhere on the grounds at any time.

Dress Code: Participants and spectators are required to dress appropriately. Both young people and adults should wear attire appropriate for the weather while remaining modest and socially acceptable. Shooters must wear a shirt with sleeves. Clothing deemed immodest or distracting to other shooters will not be permitted. Where eye and/or ear protection is required, fully enclosed shoes must be worn for safety reasons by both shooters and spectators. All shooters and coaches should remember that they may be having photographs taken or be asked to interview for the media.

Use of Two-Way Radios: To assist us in range and match operations, only authorized persons are permitted to use two-way radios on the grounds. Any action by either youth or adults interfering with the frequencies in use imposes a safety hazard. Deliberate disruption of range communications by anyone at the event will be considered a safety violation and treated as such.

Practice: WT&SC will be open for practice (at shooters expense) from 1:30 p.m. until dark on Friday, October 9, 2020 only. **Trap fields will be open ONLY on Friday for trap practice. There will not be any trap fields open for practice on Friday and Saturday.**

Lewis Class System for the 2020 Heart O' Texas Trap Shooters Extravaganza

There will be four (4) Lewis Classes (Class one (1) being the top Class). The Lewis Class calculation format below governs the 2018 HOT Extravaganza. Top 10 Extravaganza shooters in both Juniors & Seniors will not be included in the Lewis Class event. Top 10 shooters will be removed from the overall total, the remaining shooter scores will be listed in descending order. The remaining shooters represent the total Lewis Class number used in the following calculations.

The list of shooters scores will be divided into classes by placing dividing lines (original line) based on the following calculation:

- Total number of shooters in Lewis Class divided by number of classes
 - a. If the result is a whole number, it is the number of shooters for each class
 - b. In the event that the calculation does not end up as a whole number, the whole number portion of the result is the base number for each class. The remainder is to be multiplied by the number of classes. This will generate a remaining whole number that will be less than the total number of classes. This is the number of classes that need to have one (1) added to the base number, starting with the lowest class and then moving up.
 - c. When an original line is placed between a number of tied scores, the shooters will be reassigned as follows:
 - Majority above the line, those shooters below the line are moved above the line.
 - Majority below the line, those shooters above the line are moved below the line.
 - Equal number above and below, those shooters above the line are moved below the line. Only the lines with ties are moved. The original lines in all other classes remain as originally drawn. There is the possibility of having a significantly different number of shooters for each class.

SCHOLARSHIPS AWARDED TO TOP THREE (3) SENIOR INDIVIDUALS

1ST PLACE - \$1,000 SCHOLARSHIP

2ND PLACE - \$750 SCHOLARSHIP

3RD PLACE - \$500 SCHOLARSHIP

PRIZES/ROSETTES AWARDED TO 1ST – 10TH SENIOR INDIVIDUALS

PRIZES/ROSETTES AWARDED TO 1ST – 10TH PLACE JUNIOR INDIVIDUALS

LEWIS CLASSES WINNERS IN ALL 4 CLASSES

AWARDS: 1ST – 3RD PLACE JUNIORS INDIVIDUALS

AWARDS: 1ST – 3RD PLACE SENIOR INDIVIDUALS

Lewis Class Calculation Example

Total number of shooters in Lewis Class = 26

Total number of Classes = 4

$26/4 = 6.5$

6 is the base number for each class - .5 is the remainder

$4 \times .5 = 2$

The two lower classes need to have 1 added to the base number

Class 1 – 6

Class 2 – 6

Class 3 – 7

Class 4 – 7
