Dear Exhibitors:

The Extraco Events Center is excited about our 2018 Heart O' Texas Creative Arts & Education this year!

The Creative Arts & Education has been a key Central Texas event through the years. With the leadership of our management team and staff, coupled with our world-class facilities, we provide one of the best Creative Arts & Education experiences for our exhibitors. We welcome you back if you are a return exhibitor, and we are pleased to meet you if this is your first time to attend.

In 2017, over \$250,000 in scholarships were distributed through our scholarship fund. Many of those dollars are awarded to Creative Arts & Education exhibitors. This commitment to youth and education supports the mission of the Heart O' Texas Fair, Rodeo, Livestock Show, Creative Arts & Education & Academic Rodeo.

We hope you enjoy the livestock show, rodeo and fair festivities during your visit.

Sincerely,

Brent Neuhaus  
Chairman of the Board of Directors

4. **Contest Format:** Twenty (20) Texas agricultural products selected from the Texas Agriculture Product List will be exhibited at separate stations. Contestants will identify each product from four (4) possible answers and bubble their answer in on a scantron sheet. Each station will also have one (1) multiple choice question pertaining to the product on display. Questions may be general to the industry that produced the product (i.e. Texas' national ranking, economic impact to Texas, general nutritional content, region of production); or specific to the individual product that is on display (i.e. cooking method, use, growing season, specific nutrition of the cut or variety). Contestants will be allowed 40 seconds at each station before they are asked to advance to the next station.
5. Scan sheets will be provided by the Show Management. Contestants must provide their own #2 pencils.
6. Talking and cell phones use will not be permitted during the contest. If contestants are found talking or using cell phones during the contest, they may be disqualified.
7. Results will be announced at the Awards Ceremony at 2 p.m. on Saturday, October 6, 2018 on the Hometown Stage.

10. Contestants must advance from one exhibit to the next when instructed to do so.
11. Contestants must evaluate each exhibit in sequence and will not be allowed to return to any exhibit after advancing.
12. Contestants should not in any way willfully obstruct the work of another contestant.

**Awards: 2 p.m. – Hometown Stage**

The HOTFR hosts a Food Challenge Show modeled after the hit TV Series “Iron Chef.” Food Challenge gives FCCLA, FFA and 4-H students from across Texas the chance to showcase their cooking skills, but also requires the students to know preparation, nutritional facts and origins of ingredients. Exhibitors compete as teams in this competition in which they are randomly assigned into one of four categories: Bread & Cereal, Fruit & Vegetable, Main Dish and Nutritious Snacks.

1. All General & Junior Show Rules & Regulations apply to the Food Challenge Contests.
2. **All teams and parents arriving before 10:30 AM will not pay gate admission or parking. Anyone leaving grounds must pay gate admission and parking upon returning for Awards Ceremony & Scholarship Presentation at 2 p.m.**
3. The contest and teams will be divided into two (2) divisions:
  - i. Junior: Ages 8-13 (Age as of August 31, 2018)
  - ii. Senior: Ages 14-19 (Age as of August 31, 2018)
- b. Teams will consist of 3-5 members each.
- c. Teams will compete based on the age of the oldest member. Any junior may register and compete on a senior team.
4. The Texas 4-H Food Challenge Guidelines, including the official supply box list, can be accessed at:  
[http://texas4-h.tamu.edu/healthy\\_lifestyles](http://texas4-h.tamu.edu/healthy_lifestyles).
5. **Contest Format:** Teams will be randomly assigned to a contest category (see categories above).
6. **Rules of Play:** The following is a summary of the contest procedure and rules: A) Preparation: Each team will be provided with a set of ingredients, reflective of the assigned category, and will create a dish using them. The amounts of ingredients, based upon a recipe, and a clue will be at each preparation station. Teams are challenged with creating their own recipe with the ingredients provided. Each ingredient provided must be incorporated into the dish; however, the exact amount of each ingredient to use may be determined by the contestant. B) Resources: Each team will be provided with nutrition and food safety resources at the food preparation station to use in preparing their presentation. A worksheet will be provided for teams to write down the recipe invented, as well as other key points to highlight in the presentation to the judges. C) Presentation: After the preparation time, each team must present their dish and give an oral presentation to a judging panel.
7. **Time:** Each team will have 40 minutes for the preparation portion of the contest (prepare a dish, plan a presentation and clean up their assigned preparation area). Five (5) minutes are allowed for the oral presentation.
8. **Supplies:** Each team must supply their own equipment for the Food Challenge. Teams may only bring the supplies listed in the official supply box list (4-H Food Challenge Guidelines, see link above). Supply boxes will be checked by contest officials. Teams should plan to not have access to a kitchen facility and, therefore, should plan to clean supplies upon returning home from the contest.
9. **Dress Attire:** Teams should dress appropriately for food preparation and presentation to the judging panel. No open toed shoes allowed.
10. Teams that may experience any equipment malfunction(s) may not replace the equipment with supplies from another team, leaders, volunteers, county Extension agents or contest officials. Instead, team members must work together and be creative in completing preparation without the malfunctioning equipment.
11. **Presentation:** When time is called, each team will present their dish to a panel of at least two (2) judges.
  - a. All team members must participate in the presentation, with at least three (3) of them having a speaking role.
  - b. Teams are allowed the use of note cards during the presentation but should not read from them, as this minimizes the effectiveness of their communication.
  - c. Teams will have a maximum of five (5) minutes to give oral presentation to judges.
  - d. If teams does not use all of the allotted time for presentation, judges may ask teams questions for the remaining presentation time. These questions might not be related to the dish prepared, instead some questions may address the general knowledge as related to any food and nutrition topic.

- e. No talking and no writing is allowed among any team members while waiting to give the team presentation. Team members caught talking and/or writing will receive a warning. The second time, the team will be disqualified and asked to leave the contest facility. Team members should not have pens or pencils in their possession while waiting to give their presentation.

**Absolutely no cell phones are allowed by any contestant!**
