## Huntington Comic and Toy Convention Rescheduled to June 5-6<sup>th</sup>, 2021 at Mountain Health Arena

Huntington, WV (July 10, 2020) — The Huntington Comic & Toy Convention, Huntington's first full-scale comic convention, has been **rescheduled** for June 5<sup>th</sup> – 6<sup>th</sup>, 2021.

Tickets from the previously scheduled 2020 dates are still valid for the new 2021 dates. If patrons are unable to attend the new rescheduled dates, ticket refunds are available on a case-by-case basis. To request a refund, email [info@huntingtoncomiccon.com](mailto:info@huntingtoncomiccon.com) by August 31<sup>st</sup>, 2020.

Celebrity guest stars will be individually confirmed as their schedules allow and will be announced starting in December via Huntington Comic & Toy Convention's [Facebook](#) and [website](#)!

According to Comic Con event producer Jarrod Greer, "We are excited to announce a date further out in the calendar. While it is a monumental task to reschedule the event, we were all becoming concerned that the 2020 date was just too pre-mature.

The Mountain Health Arena has been great in helping us get a date that we are much more comfortable with! We firmly believe that through everyone's continued cooperation we will be able to give Huntington the event it deserves."
