The Indiana State Fair holds exhibitors of the various species of animals being exhibited to the highest standards in wellness, care and ethics of exhibition. The AWAC Plan is responsible for ensuring the most up to date standards as well as to be a source for the public to seek answers to their questions relating to the health and safety of the animals involved in the Indiana State Fair. Failure or refusal by an exhibitor or fairgoer to comply with the Animal Wellness & Care Plan can result in penalties up to and including but not limited to removal and a ban from the Fairgrounds for the duration of the event.

Biosecurity

The Indiana State Fair Biosecurity Plan was developed to prevent the outbreak of diseases carried by both animals and humans that spread pathogens that can be transmitted to and from farm animals, as well as through the food supply. Many diseases and pathogens can be prevented through maintaining the cleanliness of facilities and encouraging good hygiene. The Biosecurity Plan will be enforced during the Indiana State Fair and all exhibitors are expected to carryout and preform basic biosecurity and hygienic task including:

The Indiana State Fair is committed to providing opportunities for all entered participants to show their animals as part of the State Fair. The State Fair also wants to ensure the integrity of its competitions as is evidenced by the various terms and conditions set forth in this Entry Book, including its policy with respect to testing for unauthorized substances in certain animals that are entered into these competitions and the penalties associated with positive results. By entering into these competitions, you agree to these terms and conditions and as such, we strongly recommend that you read this information carefully prior to submitting your entry.

All exhibitors should be familiar with and must abide by the terms and conditions of the Indiana State Fair. Failure to do so may result in loss of the privilege to exhibit at the State Fair and/or ejection from the Fairgrounds.
