ABOUT US

The Greater Jacksonville Agricultural Fair Sporting Clay Tournament is a tax deductible event designed to fund the Jacksonville Fair's educational and scholarship programs. The net proceeds raised from the Sporting Clay Tournament will ensure the growth and continuation of these programs. Currently the Jacksonville Fair offers Agventure, a daylong educational program designed for area grade school children. Over 900 students participated last year and learned about different aspects of Florida Agriculture. In addition the Fair also offers Barn Tours to area kindergarten students.

Our community and charitable contributions have exceeded over \$2.7 million and approximately \$250,000 in scholarships has been distributed to deserving area college-bound students.

As a 501 (c) 3 non-profit organization your donation is tax deductible. The Jacksonville Fair strives to be an educational, exciting and fun way to offer amusement and entertainment for people of all ages and interests.
