

What Fair Departments can I exhibit in?

Exhibiting at the fair is about showing off what you have learned through the year related to your project work. Sometimes it is hard to know which Fair Departments you can exhibit in for each Project Area. Use the guide below, along with the information you received from the Jefferson County Fair, to locate the Fair Departments related to your Project Areas. Some Project Areas have two or more Fair Departments listed, most of these are animal projects. Usually one department is related to showing actual animals and the other is for exhibiting information you learned about your project.

Project Area	Fair Dept.	Project Area	Fair Dept.
Adventures: Outdoor Adventures	16	Home Environment	28
