1. Please enter your exhibits online at www.jocokansasfair.com. Be sure to print your entry tag and tape it to the top corner (edge) of your photo mat so it can be flipped to the back of the mat for judging and flipped to the front for display after judging.
2. Double-check your entries before completing the entry process to make sure you have entered the correct LOT as well as the correct CLASSES. Exhibits that are entered in the wrong Lot and/or classes are subject to disqualification.
3. There is NO DEADLINE for entering exhibits online in any of the Open Class Departments. Please enter only the items you are exhibiting.
4. All exhibits must be received in the Departments they are entered in on Monday evening or BEFORE 10am on Tuesday morning to be judged.
5. Limit one photo per class, per exhibitor. All photos must be taken by the exhibitor.
6. Due to space issues and the growing number of entries, all photos must be 8x10 size ONLY. Smaller photos are too difficult to judge. Larger photos will not fit on our display. See #9 for mat specifications.
7. All photos must be matted with the mat size of 11x14 that has an 8x10 opening that fits over and frames the photo. Do not mount the photo onto a board. The mat should fit over the photo and the photo should be taped securely to the back of the mat. These mats can be used year after year and are available at craft stores.

8. NO FRAMES please. Framed photos will not be accepted as we do not have the ability to display them.
9. There should be no lettering or words (signatures) put on the exhibit by the photographer either on the mat or on the photo. Photos with lettering on the mat or photo will be disqualified.
10. Any photo not following the size and mat specifications will be accepted for exhibit only and will not be judged.
11. Computer/digitally *enhanced* photos are acceptable for either Color or Black & White Categories. Enhanced photos are defined as having no more than minimal adjustments, such as, exposure, color correction, red-eye removal, or cropping, and changing a color photo to black & white.
12. Computer/digitally *altered* photos shall be entered in the “Computer Manipulation” Category. Altered Photos are defined as any photo that has had objects added or removed, any filter effects or actions applied, or a combination of color and black & white in the same photo. Please include a 4x6 photo (taped to the back of the entry) of the original photo for comparison.
13. Heavily saturated and/or enhanced photos are considered altered and should be entered in the Computer Manipulation Category.
14. Monochromatic photos, including Sepia tones, shall be entered in the Black & White Category.
15. Any photo that has previously won a ribbon at the Johnson County Fair may not be entered.
16. Pick up your photo(s) and Premium Checks in the Open Class Building on Sunday, not before 9am and not after 1pm.
