## *Kosciusko County Community Fair, Inc.*

*Our vision is to keep the Kosciusko County Community Fair, Inc. a family oriented venue, to showcase our community.*

For Immediate Release: May 3, 2018

The Kosciusko County Community Fair, would like to respond to the article concerning the pending lawsuit.

The fairgrounds is a 501 c3 non-for-profit entity the receives no funding from the city or county.

Our main source of revenue is fundraisers held by the Fair Board and volunteers. The Warsaw Motorsports Complex is a large portion of that revenue. With current capital projects and community programs we are financially struggling. If we close the motorsports complex at the fairgrounds our struggles will increase. We intend to conduct the events in a manner that is friendly towards our neighbors and the environment. We are planning to defend this lawsuit to keep our venue open and available for the community events.

Thank you

The Kosciusko County Fair Board
