Shane Boerner
Shane Boerner
2018-2019 President-Kendall County Fair Association
Hello y’all! I would like to Welcome you to the 114th Annual Kendall County Fair and Rodeo. My name is Johanna Olivarez and it has been my great pleasure to have served as your 2018-2019 Kendall County Fair and Rodeo Queen. I have been part of the fair for my entire life, and for years my dream was to represent an organization I have loved so much. Over the years, I have entered things into the Exhibit Hall, and I even served as the 2010-2011 Little Miss. Being a part of the Queen’s court is something that is truly amazing, and the bonds that are made are even more so.

Over the past year the KCFA started a new event called KC’s Kids. This is an event held the Friday of the fair weekend before the evening begins. Held for kids with special needs, KC’s Kids provides inclusiveness and special activities for the entire morning, giving new opportunity for involvement in the fair. We ensure that they have an amazing time and have nothing but smiles and laughs. I am incredibly proud to say that my court and I were able to participate in such a monumental addition to our wonderful county fair. I would like to thank Patti McCreless, for without her this probably wouldn’t have been possible. Giving back to the community began with this organization, and through the fair and Queen’s Court, we have also given back to the community in many other ways throughout our reign. We donated canned goods to the Hill Country Family Services and donated to the Kendall County Animal Shelter. Service is something that is incredibly important to the foundation of our community roots, and I am so grateful for the opportunities. I have been granted this year to give back.

I would like to give a big thanks to the Board of Directors for the amazing job that they have done this year and everything that they have done for us. Also a big thank you to my family for pushing me to pursue my dreams. Lastly, thank you to my sponsor Misty Thomas with the Hair Company for always supporting me with every pageant I have ever done and Dylan Weidner for always making sure that I was parade and pageant ready, I am extremely grateful for you both. To my court y’all are amazing—never give up on your dreams, and always keep going.

At the beginning of this year I could not have even imagined the experiences that I have been given, but this ending is picture perfect. As I close out this year, I wanted to lastly thank the county for everything you’ve done to support the Kendall County Fair Association. Each year we continue this rich tradition that started in 1905, 114 years ago. My involvement throughout my life has been a large part in shaping who I have become—especially this past year. I am forever grateful to have been your 2018-2019 Kendall County Fair and Rodeo Queen.

Kick Up Your Heels!

HISTORY OF
THE KENDALL COUNTY FAIR

The first Kendall County Fair was held in Boerne, Texas in 1905. Communication was very limited so it was imperative that a central meeting be held at least annually so the people of the area would have a chance to exchange ideas, recipes and news of events. Thus was born the idea of the county fair and the people of the county gathered together in the “Opera House” located in downtown Boerne to hold the first Kendall County Fair on September 4, 1905.

On March 14, 1913, the citizens of Kendall County gathered for a called mass meeting for the purpose of organizing a Kendall County Fair Association. On July 1, 1913, the corporation charter was granted and the newly formed Kendall County Fair Association was presented an once-in-a-lifetime opportunity by The Ferdinand Ludwig Von Herff Family. Fifty Five acres of land was deeded to the association from the Herff Family extensive holdings east of town for the association to hold a yearly fair and erect buildings to house the event. In order to ensure the continuation of the Fair for those generations that followed the deed also forbade the sale of the property and provided that if the Fair were not held that the land would revert to the city of Boerne. H.O. Adler was the first president elected and Miss Martha Fabra (Mrs.E.P.Heye) was appointed first lady manager. Miss Bonnie Lee Kemp (Mrs. Carl H. Molberg) was the first Kendall County Fair Queen selected in 1949. The Kendall County Fair Association governing board now consists of twenty one active voting director members. The association is honored to have senior directors of whom have served nine or plus years as a director. Fifteen of the Senior Directors served a reign as President during their term as a director. The association has over 2,775 life time members and over 50 junior members. Beautiful Herff Park, located at 1307 River Road is the home of the Kendall County Fair. The fifty-five acre park is studded with live oak trees, which make an ideal setting for the annual Labor Day week-end fair. Oma’s Christmas Fair is also held at the fairgrounds annually the first week-end in December and is also sponsored and presented by the Fair Association. This year, 2019 Oma’s Fair will celebrate 36 years. The Kendall County Fair has been held annually (Except during the war years when it was supplanted by one or more livestock shows each year.) The purpose of the annual fair is to display the best agriculture products and livestock from Kendall County and the surrounding hill country area. It’s purpose is educational and it’s main objective is to encourage and develop farming and ranching in line with modern development as an educational and social institution. The Kendall County Fair offers its patrons a real opportunity to participate in the benefits offered. The Association is a 501(c)3 Non-profit with officers and directors serving without remuneration. Any and all profits from the various activities held are used to further the interest of the association and for improving properties and the grounds. This year, 2019, the Kendall County Fair will celebrate 114 Years. The officials of the association would like to this opportunity to “WELCOME” area citizens and visitors alike to the fair. The fair would not be possible without the support of Kendall County and the surrounding area. As we are reminded of our past and look to the future, we welcome your comments and suggestions and hope that you will help us make this annual event enjoyable and memorable for everyone attending. We cannot do this alone; we need you and your support to continue our main purpose and objectives for the younger generations to come.

“Come Out And Enjoy The Carnival”
**Kendall County Fair Association**

**Homestead Heritage Exhibit Hall**

The first exhibition hall was built in 1918 and had been the center stage of fair events and celebrations throughout the early years of the Kendall County Fair Association. A devastating misty early morning fire on Friday, February 17, 1984 completely burned the sixty-six year old building to the ground, along with a structure history, a wealth of Kendall County Fair memorabilia and mementos were destroyed. Burned also and never to be replaced were seventeen antique showcases that was stored inside the hall. With a plea from the association to the community for donations of fair memorabilia and mementos the association replaced many of the destroyed items lost in the fire. Only a few of the early president’s pictures and catalogs have not been replaced along with selected fair mementos such as trophies, ribbons and pictures. Shortly before the fire the exhibition hall had just gone under a remodel and was electrically re-wired. With the remodel complete the solid aged structure promised many more decades of usefulness. The actual cause of the fire has never been determined. With the help of association members, women’s auxiliary and community volunteers the now existing exhibition hall was built with donated funds and many volunteered hours. With all this effort and pride for the Kendall County Fair Association the newly built exhibition hall doors were opened for the 79th Annual Kendall County Fair on September 1st, 1984.

From the earliest days of the Kendall County Fair exhibition hall was and is the “Heart” of the annual fair. It continues to showcase the many talents of Kendall county citizens year after year. Each year the locals from all ages enter exhibits into judging competition against their fellow friends, neighbors and even family members for a chance to win a ribbon or the “Best of Division” Award for Best Overall Entry in divisions from baking to taxidermy or maybe the “Best of Show” Award chosen from the “Best of Division” winners. Showcases are brimful of fair memorabilia and mementos of the past and present. “The President’s Wall” atop the showcase displays pictures of the association’s presidents from 1949 to 2019. Selected walls throughout the hall display pictures of fair royalty, projects and celebrations. A wall of plaques honoring association individuals is displayed listing their designated titles and years of service. The exhibit hall will be open daily and nightly with selected hours for fair visitors to enjoy the exhibits and take a trip down memory lane by viewing the history on display from the first exhibition hall to memorabilia of the Kendall County Fair Association since its first fair held in downtown Boerne on September 4th, 1905.

MEET OUR MASCOT

“KC The Cowboy”

“KC The Cowboy” became the Fair Mascot in June of 2017. KC’S first public appearance was during the annual Boerne Berges Fest parade. With shouts of “Look At The Cowboy” as the KCFA Directors float moved down the parade route, it didn’t take long for KC The Cowboy to win the hearts of all ages, from babies to the young at heart. KC brings the essence of family fun from entertaining to greeting everyone at the fair and community happenings. KC The Cowboy is a huggable cowboy complete with a ten gallon cowboy hat and chaps. He loves to give high fives and pats on the back and loves to dance to any and all music. KC hosted the first KC’s Kids Roundup during the 113th Annual Kendall County Fair.

KC “Welcomed” thirty one Special Needs Kids and seventy 4-H Buddies from Kendall County to a day at the fair. The kids got to experience all the activities, sights and sounds of a county fair complete with a Hot Dog Lunch with all the trimmings.

In December during “Oma’s Christmas Fair” KC brought his own kind of reindeer (a mini horse dressed as a reindeer) to Oma’s to celebrate, and for Oma’s visitors of all ages to enjoy taking pictures and petting the mini horse reindeer.

KC The Cowboy has become a beloved asset and ambassador of the Kendall County Fair Association and continues to captivate the hearts of all who meet KC. “KC The Cowboy” will be greeting fair goers of all ages during the 114th Kendall County Fair, so make sure you get a big KC hug and a picture with KC.
Kendall County Fair Association’s
“KC’s Kids”

The Kendall County Fair Association KC’s Kid Program was implemented in 2018 in conjunction with the annual fair. With gracious sponsors and heartwarming volunteers, Special Needs children enjoyed the fun and excitement of a County Fair that was designed and orchestrated exclusively for them by the KCFA. The objective of the program is to enhance the knowledge and appreciation of agricultural endeavors by enabling these children to enjoy and participate in functions associated with agriculture at the annual fair. The group enjoyed a morning at the fair, allowing each child the opportunity to enjoy the sights and sounds of a county fair in a manner that suited their individual needs, from carnival rides to a visit to the Exhibit Hall, Livestock Barn, and Rodeo Arena plus other activities planned and overseen by the volunteers and KCFA Directors.

Thirty one children enjoyed time at the 113th Annual Kendall County Fair. The group along with volunteers were treated to a lunch of Hot Dogs and all the fixings before boarding buses back to their designated schools taking back with them cherished memories of a “Fair Day” with all the sights and sounds of a county fair.

The Kendall County Fair Association “Welcomes” Lester Meier Rodeo Company as the 2019 rodeo producer and stock contractor for two nights of rodeo action and one night of bull riding action. The Lester Meier Rodeo Company is in its 46th Year. 2019 continues the tradition of producing Open Pro Rodeos. Bull Riding Events and Convention Rodeos. Lester Meier himself competed as a bull rider for seven years before setting out to build one of the largest and fastest growing open rodeo companies in the state of Texas. Rodeo events include bull riding, bare bronc riding, ladies barrel racing, ladies breakaway, calf roping, team roping, tie down calf roping and saddle bronc riding.

The Lester Meier Rodeo livestock is a vital part of their operation and is well cared for at the family ranch and throughout the hill country, as is evident by their athletic ability and excellent condition. Both bucking horses and bulls of the Lester Meier rodeo stock are regarded as “Double Tough” and have garnered national attention. Each rodeo produced by Lester Meier Rodeo Company carries the same high quality trademark; top stock, a fast and efficient production, and a personal dedication to bringing the fans, promoters, and contestants the “The Best In The Business”.

Enjoy the Rodeo Action on Friday and Saturday night and Bull Riding on Sunday night during the 114th Annual Kendall County Fair.
