## KERN COUNTY BRED AND FED FORM

REQUIRED TO BE TURNED INTO OFFICE BY ENTRY DEADLINE  
ONE PER ANIMAL

Name: \_\_\_\_\_ Club/Chapter: \_\_\_\_\_  
(Last) (First) (MI)

### Rules Applying to this entry:

1. The animal being shown must have been born in Kern County.
2. The dam of the animal being shown must be a "resident" of Kern County 30 days prior to the conception of the animal being shown. The definition of "resident" shall be: The dam of the animal being shown shall either be incorporated into an established Kern County herd or owned by an individual who resides in Kern County. The sire of the animal being shown must have physically been in Kern County at the time of the conception or AI must be used. The dam cannot have been taken out of the county to be bred.
3. Artificial insemination (AI) and embryo transfer are recognized methods of herd improvement. Rules 1 and 2 still apply. Embryo need to be flushed from resident dam of the Kern County breeder and implanted in one of their herd recipient dams.
4. This is a binding contract between the breeder, youth member, parents of the member, and their project leaders.
5. The Kern County Fair management reserve the right to view the maternal parent of a county bred and fed animal and may collect DNA samples for verification. (In the event a mother of a county-bred animal is sold or expired the breeder should obtain a minimum of 30 hair follicles and store them in a cool dry place in an airtight Ziploc bag.)
6. By signing this proof of eligibility form the breed and the exhibitor agree to provide the following information in order to compete and be recognized in the Kern County Fair Bred and Fed program.
7. The Kern County Fair management is opposed to violation of rules and will deal with violators in a lawful manner. In the event of a violation is deemed true, exhibitors will lose all premiums and awards. Breeders will lose the privilege to compete in the Kern Bred and Fed program.
