

State of Louisiana Livestock and Public Health

The STATE FAIR OF LOUISIANA, Officials remain aware of the outbreak of E. Coli 0157:H7 in fair petting zoos. Show officials are taking numerous steps in having a safe and clean show facility.

All animals brought to the fair must arrive with health certificates and also are inspected upon arrival.

We will no longer have food concession in the barn. Food concession will be located outside of the barn area. **Food will not be allowed in the Livestock Barn.**

HAND WASHING

Hand washing stations will be located at multiple sites. The waterless hand mist will be available for the public throughout the fair.
